MESSAGE FROM THE PRINCIPAL'S DESK

"Education is the most powerful weapon which you can use to change the world"

-Nelson Mandela

Dear students,

It gives me great pleasure to welcome you all as students of Sree Chaitanya College, Habra, for the academic session 2022-23.

You are joining our college at a time when the world is slowly emerging from the ravages of the COVID-19 pandemic---a "new normal" which tasks institutions, communities, and individuals to build a more inclusive and sustainable world for our future generations. As students and future citizens, you have greater responsibilities to equip yourselves with knowledge from the courses that you have opted for and later move ahead in life as professionals, working for the betterment of our society and the world.

Let me take this occasion to introduce our college to you. Continuing on a glorious tradition since its founding in 1956, Sree Chaitanya College, Habra, slowly emerged as one of the pioneering higher education institutions in West Bengal, and as one of the leading colleges of the district of 24 Parganas (North). Our college is devoted to excellence in teaching, learning, and research, while relentlessly trying to push the boundaries of knowledge. For us, knowledge is not mere information but wisdom that would enable our students to face challenges of the future. In this competitive era, we understand that it is of paramount importance to introduce our students to appropriate knowledge, habits, attitudes and values leading to holistic development. Alongside quality education, our college encourages various co-curricular activities, which are organized by various clubs and societies to facilitate the process of creative and critical thinking. We not only focus on inculcating social and moral values, compassion for nature, pride for Indian culture and tradition and awareness for one's rights and duties, but intend to make you good human beings, confident about pursuing on your life-dreams in the future.

I feel proud to acknowledge the contribution of our highly qualified faculty members, as well as non-teaching staff and students. Our teachers work hard throughout the year to mentor students and provide them with quality educational experience in the form of digital classes, group discussions, workshops, symposia, seminars, webinars, and cultural events. Our college regularly invites eminent personalities from all walks of life to address our students and expose them to new ideas and thoughts. During the last two academic sessions, our college had successfully reached out to its students through the newer modes of digital learning, while combining them with older forms of classroom experience. We have successfully integrated online learning with the physical classroom, and most of our work is now conducted on various digital platforms. Information pertaining to classroom teaching, continuous assessment, projects, and semester examinations is regularly updated on our college website. All of our departments maintain dedicated WhatsApp and Telegram groups for each batch to ensure that none of our students are left out when some necessary information needs to be shared. In order to bridge the digital divide, starting last year, the Teachers' Council of our college had initiated a Students Welfare Fund for underprivileged students in need of financial support during the pandemic. I hope that you will be able to benefit from your college experience and emerge as responsible future citizens and academics by learning from the new digital technologies, as well as classroom teaching, and draw energy from the glorious past of our college.

I encourage all students to take advantage of the opportunities provided by the college and involve themselves in their studies and all the extra-curricular activities that are currently being offered. The overall development of the mind and body is a sure sign of a healthy process of development. We aim to nurture our students by paying close attention to their physical, mental, social, emotional and intellectual development.

Once again, on behalf of the Sree Chaitanya College family, I welcome all students to this new academic session and wish you all the best for achieving greater success and scaling new heights in the coming session. Also, keep yourself, your classmates, and your family safe by following the necessary COVID-19 protocols.

With blessings and warm wishes,

(Dr. Indramohan Mandal)
Principal
Sree Chaitanya College, Habra

ABOUT US

THE LEGACY

Sree Chaitanya College, Habra occupies a very distinguished position in the higher education map of the district of North 24 Parganas, as well as of the state of West Bengal. The institution overlooking Jessore Road (NH 35), is about 40 km from Kolkata. This college was established in 1956, primarily to cater the need of the thousands of helpless youths who, owing to the partition of India, were forced to settle almost as paupers in this part of the state, but had nourished deep in their hearts an inextinguishable urge to pursue higher education to overcome their miseries. Their dream would have never been realized without the initiative of the Habra Siksha Parishad and the kind patronage of the Government of West Bengal and the legendary Chief Minister, Dr. Bidhan Chandra Roy, who encouraged the founding of the college. The project was given proper shape by the youngest minister in the Roy-Cabinet, Tarun Kanti Ghosh, who was also an MLA from Habra. Ghosh patronized the foundation of the College by donating Rupees Fifty Thousand, and he became the first president of the Governing Body of Sree Chaitanya College, Habra (1956-67).

As time rolled on, the college grew into a giant academic institution spreading across a large campus area of 89,030 square metres with Honours departments in Arts and Science subjects. The College has always been blessed with a group of dedicated teachers with brilliant academic careers and a band of committed non-teaching staff, including librarians. The hard work of the entire college staff has helped in producing generations of excellent students with excellent academic results, many of who became University toppers. Many of our former students have been very successful in life as school/college/university teachers, researchers in renowned institutions in India and abroad, bureaucrats and technocrats in government services or business corporations, and as journalists, authors, and theatre personalities of repute.

THE COLLEGE NOW

From 2008, with the foundation of the West Bengal State University (WBSU), the college came under its affiliation with effect from the academic session 2008-09. We offer 14 Honours Subject Courses and 18 General Subject Courses according to the CBCS (Choice Based Credit System) syllabi framed by WBSU and its respective Boards of Studies (BOS). It is worth mentioning that for last few years, we have also introduced Post Graduate (PG) courses in Bengali, Chemistry and Anthropology with huge responses from the students. In these courses the College has its own PG-BOS for the respective departments, which frame their own respective syllabus and thus contribute to the development of higher education. Besides regular courses, we also offer distance education courses both at the UG and PG levels as a unit of Netaji Subhas Open University (NSOU).

The regular CBCS-based UG courses are of three years which a student must complete with a maximum span of five years as per university regulations. Students enjoy freedom to switch over to a new subject of stream within three months from the day of admission according to merit list and subject to the availability seats. They are admitted to Honours Courses purely on the basis of their results in the Higher Secondary and equivalent examinations. Seats are reserved for students from SC/ST/OBC background as per government rule.

It should be seriously noted that the college observes and maintain strict discipline with respect to attendance in classes because we firmly believe that there is no alternative to classroom teaching.

Our science departments are well equipped with most updated laboratories and scientific instruments. Most of the departments have their computers with internet facilities and some science departments have computer laboratories. A dedicated Academic Calendar showing the allotment and workload, time frame and internal examinations schedule, is made at the beginning of each session. Classroom teaching is supplemented by (i) occasional holding of seminar-lectures on particular topics, (ii) arrangements of lectures by students, (iii) publications of departmental journals as well as wall magazines, (iv) educational tours, and (v) special lectures by eminent teachers of other colleges. The college runs a students' hostel for boys, especially catering to the residential needs for students coming from distant places. The college also follows the RTI Acts, and has setup a Public Information Cell. Moreover, the college has a huge treasure of valuable academic resources as well as text books kept in the Central Library and at the departmental libraries.

We firmly believe in an all-round development of our students. We encourage them to seriously take up co-curricular and extra-curricular activities along with academics. We have more than one playground, an open-air theatre and one auditorium. Besides these there are separate well-equipped gymnasiums for boys and girls. We also provide several indoor games facilities for boys and girls. The elected Students' Union organizes annual sports, cultural programs and various social welfare activities and also helps to develop and maintain ideal and healthy student-teacher relationship.

In the wake of the pandemic caused by the spread of the novel corona virus human lives and living has been subject to a situation of grave uncertainty. Humanity needs to come closer in the face of such an unprecedented crisis. Humans need to prioritize mental health and well-being of oneself and those around him/her above everything else. Prolonged phases of intermittent lockdowns, economic and psychological crises that have followed the COVID-19 pandemic, also saw the closure of schools and colleges. Hoping sincerely that things would take a positive turn in the near future, and normal life would be restored soon, Sree Chaitanya College, its administration, the IQAC, NSS, NCC and similar wings, and the various departments, other cells and clubs, have been extremely active and receptive in finding out ways to not just stay in touch with the students, do necessary counseling, disseminate necessary government messages/instructions on the pandemic from time to time, but also find ways to conduct online classes over several digital and virtual platforms. Apart from regular online courses and examinations, several webinars, online poster writing competitions, creative writing, essay writing, and photography competitions too have been conducted to engage our students in various ways and boost their confidence.

FUTURE PLANS

For catering to the needs of society and to fulfill the demand of higher education in the state, the college has planned to begin PG Courses in History, Mathematics and Zoology. The State Council of Higher Education has already inspected these departments but university inspection is yet to be done. Besides, the Governing Body of our college has resolved that PG courses may be opened in Department of Botany, Geography and Physics to cope with the demand for PG studies in these subjects.

About the Department

The Department of Anthropology, Sree Chaitanya College, Habra, started its journey towards academic excellence from 1959. Highly efficient faculty members have enriched this department and their work is internationally recognized. A total of 11 faculty members (2 Associate Professors, 5 Assistant Professors and 4-SACT II teachers) including 1 GLI and 2 skilled laboratory staff are working tirelessly for the smooth running of the department and for the best service to the students.

The department offers both Undergraduate Program (B.Sc. Honours) since 1979-80 and Postgraduate Programs (M.Sc.) since 2007-08. Infrastructural and laboratory facilities for teaching and research are available in various sub-fields of anthropology, such as osteology, serology, forensic anthropology, palaeoanthropology, prehistoric archaeology, dermatology, comparative technology, etc. In addition to these, there is a small library with a good collection of books and a computer laboratory for the use of the students of the department. The regular fields of socio-cultural anthropology, archaeology, biological anthropology and research are organized. The department organizes seminars and conferences at the state, national, and international levels at different times.

Our students have qualified NET/SET exam and are working as a Research Fellow at various universities. Many of them have been working as faculty members of different colleges as well as of different universities. Some of our alumni have worked in Anthropological Survey of India, CRI, and various reputed NGOs.

About the Department

The Department of Botany is one of the oldest departments of the College. It was established as an independent department with general degree course in 1956. With renowned botanists as faculty members, the Honours Course came into reality in 1970. The main thrust area of teaching and research are Phycology, Mycology and Pathology, Bryology and Pteridology, Plant Physiology and Biochemistry, Cytogenetics, Plant tissue culture and Biotechnology, Systematic Botany and Plant Genetics. At present, 1 Associate Professor, 7 Assistant Professors and 4 State Aided College Teachers, with 3 supporting laboratory attendants, are working in the department. The department runs in three shifts i.e. morning, day and evening. The current intake capacity of Honours student is 81 while it is 300 for General course. The department is enriched with ICT classrooms, well equipped laboratories, computer facilities, departmental library, museum and herbariums. Many Seminars, Webinars and Conferences are organized every year. Currently, two major research projects funded by SERB and WB-DST are ongoing in the department. Two research scholars (NET and SLET qualified) are also engaged in these two projects. About 70 research papers on different aspects have been published by the faculty members of the departments. The department has distinction in having its alumni placed at various respectable positions all over the state. Along with studies, various co-curricular and academic activities are performed by the students and staff members every year. These include, Freshers' welcome, Farewell Programme, Teachers' day celebration, World environment day celebration, National Farmers' day, Alumni association meet, Parent teacher meet, Publications of wall magazine and Departmental magazine 'Magnolia', Students' seminars and Quiz competitions. The department also organizes local and long excursions every year as a part of curricula, It is worth mentioning that this year we have started Mentor Mentee system and also celebrated annual cultural and farewell programme under the theme 'Canopy 2022' for the very first time.

About The Department

One of the unique features of Sree Chaitanya College is the Department of Chemistry. Among the unique features of the department is the "Homely atmosphere" provided by the faculty members. The TEAM (Together Empowering to achieve more) of the teaching faculty along with the motivated Laboratory attendant felt at home with each other and this makes planning and working less stressful.

The Department began its journey in 1956 with a bunch of talented and devoted founders. Teachers like Prof Saswati Bag, Prof(late) Sachindranath Sarkar, Dr. Raiharan Modak, Prof.(late) Tapan Kumar Chanda, Dr. P. K. Dasgupta, Prof. Pradip Dey, Dr. (late) Umacharan Bhattacharya, and Prof. PL. Majumder. Slow but steady wins the race, the Department also slowly but steadily reached its culmination very soon. It is needless to say that whenever the Subject Chemistry is concerned as a matter of discussion, the names of the Department of Chemistry, Sree Chaitanya College, Habra has been given the priority. Really we feel proud of our predecessors.

The Department offers three-year (SIX-semester, CBCS) undergraduate courses for Chemistry in the morning, day, and Evening sections. and two-year (four-semester CBCS) postgraduate courses in Chemistry (intake capacity:40). Limited number of students provides a good opportunity to deal with faculty-student interaction and academic flexibility. The diverse qualifications of the faculty ensure expertise in all the disciplines of chemistry as well as in various interdisciplinary areas. The department provides the environment for the young learners to realize their potential and manifest themselves. The diverse qualification of the faculty ensure expertise in all traditional and interdisciplinary areas. The TEAM work is the Nuclear Force of our Department. The academic achievement and growth of the Department blend successfully due to the excellent TEAM work of the present bunch of gifted faculty with brilliant academic careers. The trend of this TEAM work and dedication of our faculty have been manifested through the introduction of the Post Graduate (PG) section in Chemistry since 2008. The Department is on a journey and aspires to build relationships and help each learner to realize their productive potential self along the way.

About the Department

Since the day of foundation of Sree Chaitanya College, Habra in the year of 1956, its Department of Mathematics is propelling with sincerity the essence of the vision and mission of the college. The tradition of shaping the logical mind of its pupil through its curriculum and various co-curricular activities is now a regular practice of the department. The Department of Mathematics has run both honours and General Courses from its inception in the year of 1956. Alongside its regular classroom activities, the department organizes seminars for its students to enhance their interest in different branches of the discipline. The department observed the National Mathematics Day on 22.12.2021 in honour of genius Indian Mathematician Srinivasa Ramanujan. Department also organized a Quiz Competition for the honours students to observe the students' week (01.01.2022 to 07.01.2022). Department has a computer lab for the students and a separate ICT room for holding its activities by utilizing the benefit of technology. Students of the department actively perform some extracurricular activities such as publication of magazines, fresher's welcome, farewell program, Teachers' Day etc. A large number of alumni of the department are now successfully serving various social institutions. To cater the needs of the students, the Department recently enacted a systematic Mentor-Mentee-Relational-Group among its Faculty and honours students. Department has charted down some future plans of generating some direct supportive measures for enabling its students to come out of their constraints.

About the Department

Physics is the study of Nature. It is a doorway of observations, inclusive of profound phenomena which relate to and encompasses every stratum of life. Physics is about the journey of building relationships of observations through models. It's the pursuit of understanding real-world matter and energy with experiments, analysis, and mathematics.

There is no single best way to learn Physics. The Department of Physics at Sree Chaitanya College, Habra offers both Honours and General courses. The curriculum design prepares students for academic, industrial, and analytical careers.

The Department of Physics inspires, empowers students with imagination which is nourished not just by Physics but also other areas of human inquiry and thought present in the curriculum.

The college offers, 3-year BSc (six-semester CBCS system) in the morning, day, and evening, along with suitable combinations in this regard. The balance between fundamental science and application related to experiments builds learning muscles along the direction of seeking. The Department has Electrical, Mechanical, Optical Laboratory.

The department organizes seminars for its students to enable their interest in diverse branches of the discipline. Department has a computer lab for the students and a separate ICT room for holding its activities by utilizing the benefit of technology. Students of the department actively perform some extracurricular activities such as publication of magazines, fresher welcome, farewell program, Teachers' Day, etc. A large number of alumni of the department are now successfully serving various social institutions.

The idea of the department is to create an environment, which will empower the students completing the course to the physicist's way of thinking. The department aspires to transform stress, anxiety, in learning to novelty in thoughts through empathy, authenticity, and ingenuity.

About the Department

The department of Economics started its journey in Sree Chaitanya College under Calcutta University since 1956, that is when the college was established. It was a general-course department with two whole time teachers. There are three shifts. In the morning shift only girls are admitted, in the day shift both boys and girls are admitted and in the evening shift only boys are admitted. In the year 2000, Honours course was started in the day shift only with three permanent faculty members and one-part time teacher. It is a science department. As yet there are three permanent teaching posts. From 2009 the college is under West Bengal State University. The teachers are always ready to help the students. The honours students were somewhat talented at that time and their perseverance should be admired. As a result, they secured good marks in B. Sc. degree and are gainfully employed. We feel proud of our students. Let almighty be always there with them. Our students participate in several indoor and outdoor programs of the college and often they come out with flying colours. They thereby add another feather to the success of the department.

About the Department

The Department of Geography started its journey in 1996 with general course. However, within few years, the institute was able to launch an Honours course in 2004 to meet the growing demand of the local people. In its very inception, few guest lecturers served the department. Later, in April 2010 three assistant professors and in May 2017 one assistant professor had joined. At present, the department has also two SACT-I faculties to provide services to the students. Alumni of this department have successfully established themselves in school service, police service, business, public sector and private sector etc. After qualifying NET/SET exams, few alumni have engaged in research activities in various universities. Faculties relentlessly engage themselves in career building and personality formation of the students. The department has a GIS laboratory with 18 computers where students are trained in Microsoft Office as well as open-source software. This laboratory is also used for WBEE mock training, project work and language training etc. In addition to these, there is a well-equipped laboratory with modern instruments to serve the students. Students actively participate in various departmental activities and programs such as class seminar, wall magazine publications, orientation programs, freshers' welcome, farewells and reunions etc.

About the Department

The Department of Bengali started its journey with the foundation of this great institution and has ever since remained one of the most eminent departments, both in terms of size as well as in significance. The B.A. General Course in Bengali was introduced in the year 1956 and the Honours Course in 1961. The inspiration that the students derive from the enthusiastic and sincere teachers of this department is evident from their wonderful performance at the University level examinations on a regular basis. Expression of creativity gets a high priority here, be that in the regular teaching procedures or in the extra-curricular activities on the part of the students. To the great pride of the institution and the department, Post Graduate Course was introduced here in 2008 under the able guidance of the West Bengal State University. The department however enjoys autonomy in running of the P.G. courses. A field Study has been thoughtfully incorporated in the P.G. course with the aim of creating an opportunity of meaningful

interaction with the larger society for the students. This additional curriculum has made studying PG at Bengali department, a unique and enriching experience. At present the number of permanent faculty here are 13. Resource persons from other universities are invited frequently at the department to deliver lectures on their area of specialisation, for the benefit of the students. A separate Study Room and a rich departmental library address the academic needs of the students. We have quite a number of accomplished teachers, researchers, journalists and people established in various government departments as well as in private offices among our alumni. Students are trained to organise departmental journals, academic workshops and seminars through active participation and in collaboration with

teachers. Cultural programs are organised on a regular basis where students are encouraged to take part through their performances in music, recitation, art, debate and extempore which contribute in enhancing the overall cultural milieu of the institution.

About the Department

The Department of English has traversed a long journey and has persistently seen a swell in the number of students, both in the Honours and General categories, which is a sure sign of the improvement made by the Department. With new teachers joining in both the Government sanctioned permanent posts on substantive basis, and as SACT-I, the Department has become more organized. With the newly introduced CBCS system the Department has been able to cope very well with the changed, diverse, and mammoth syllabus in both the categories and systematise itself to meet the needs. The Department has been successfully conducting online classes in spite of the unwanted and unforeseen blow of the pandemic over a very long period of time. It has gone those extra furlongs to motivate the dear students in these trying times, order and organize things, and mobilise them to appear in both the Internal and End-Semester exams successfully.

Those days are not far when the Department would be able to interact with its students once more and hold programmes like Fresher's Welcome, Farewell, and the academic tours which creates a bond of togetherness and bonhomie with the teachers and offer the students a basket of memories to last them a lifetime. Regular in-house departmental seminars, theatrical performances, working together round the clock to put up wall magazines are the other academic and creative activities that the students and the Teachers look forward to.

About the Department

The Department of History is one of the oldest and largest departments of Sree Chaitanya College, Habra. The department offers three-year B.A. Honours and General / Programme Courses in History under the CBCS. The department presently has five substantive teachers and two SACTs. In addition to traditional chalk and talk method the teachers adopt modern teaching techniques to cope up with the demand of the knowledge driven era of technology. The departmental library is well stocked with a number of reference and text books. With a competent faculty the department is prepared to empower the youth through education. The prime goal of the department is to attain academic excellence and to instil the sense of moral responsibility and good values among the students. Students are also schooled in expressing themselves well, both verbally and in writing. We very often organize students' seminars, quiz programmes, mock tests, cultural programmes etc. Students are taken on day tours to places of historical interest. We also undertake informal psychological counselling at personal level to enable our students to endure the challenges of life. The departmental programmes not only assist the students in acquiring knowledge and skills essential to be good scholars but also help them to realise his/her fullest potential. Students are motivated to be creative through individual and group projects. Our departmental wall magazine "Ichechhe Dana" is an important medium which enable our students to express their artistic creativity and writing skills. In addition to regular courses of study our students have a long tradition of intensive involvement in extracurricular activities. Our department provides many NSS volunteers who remain in constant touch with the community. Quite a few numbers of our students are pursuing successful career as School Teachers, College Teachers and Employees at different Government as well as Private Offices. Over the last six decades, the department has been maintaining a healthy academic environment and cordial student teacher relationship.

TEACHERS' COUNCIL

The Teachers' Council (TC) of Sree Chaitanya College, Habra is a statutory body that comprises all the teachers and librarians appointed in substantive posts. It is a democratic platform of the teachers where they can freely voice their opinion regarding the academics of the college. The chief concern of the TC is the academic environment and performance of the students in the University Examinations. The TC of SCC strives to groom the students for their future life in all possible ways. With this objective several subcommittees e.g., Admission, Examination, Routine and Library subcommittees and the like are formed within the TC to facilitate the day to day functioning of the college.

The principal is the ex-officio President of the TC, who presides over all the meetings of TC. A Secretary is elected/selected by the members of the TC annually at its Annual General Meeting. The Teachers' Council Secretary (TCS) conducts the meetings of TC and acts as a liaison between the teachers and the administration. The TC of our college, however, doesn't restrict its activities to the preservation of the rights and obligations of the teachers, but is also involved in many other social and intellectual enterprises. Cultural activities often form an indispensable part of the programmes that TC organizes. Every year the Teachers' Council organizes a memorial lecture in memory of late Debasmita Bhattacharya, Assistant Professor, Department of English, since 2017. Now the area of action of this body has been extended for the benefit of the students. Recently the Teachers' Council has inaugurated a Student Welfare Fund in the interest of the students. All students of this college have access to this fund (subject to terms and conditions, and approval by the TC). By undertaking such functions as outlined above, the Teachers' Council has played and continues to play a very significant role in the administrative sphere of this institution.

The TC of SCC is proud of its annual bilingual publication, *Sampan*- where the literary aspiration of the faculty finds expression.

RASHTRIYA UCHCHATAR SHIKSHA ABHIYAN (RUSA)

Activities in 2021-22

The Rashtriya Uchcharat Shiksha Abhiyan (RUSA) is the central government's contribution to further the promise held by the rich expanse of India's state universities & colleges. The share of RUSA fund is given by both State Government and Central Government. RUSA understands that sometimes the most important lessons of life are learnt outside the classroom. So, whether it is upgrading libraries or computer laboratories, promoting autonomous colleges or clubbing them to consolidate their strength and forming cluster universities, the programme realizes that every institution holds the power to enrich lives through top-class education.

Sree Chaitanya College, Habra is a recipient of this prestigious grant. In spite of the pandemic situation the RUSA committee has done a commendable progress in their work. In 2021-22 the committee was able to submit utilization of more than 75 % of 1.5 crore rupee received as first and second installments under RUSA 2.0. The committee faced the physical verification and audit for application for the third and last instalment of the grant.

The finishing works of second floor of the administrative building covering an area of 5920 sq. ft was completed from RUSA fund. The extension of the central library in the new building has been setup with books purchased from RUSA. The new one stories academic building with three storied foundations has been made from RUSA fund. This is a disable friendly building and covers an area of 3000 sq.ft comprising of 3 big halls, washrooms and a office room.

ALL INDIA SURVEY ON HIGHER EDUCATION (AISHE)

ALL INDIA SURVEY ON HIGHER EDUCATION (AISHE)

Ministry of Human Resource Development (MHRD) initiated an All-India Survey on Higher Education (AISHE) since 2010-11 to prepare a sound database on a large and diverse system of Higher Education covering all the higher educational Institutions in the country and to assess the correct picture of Higher Education in the country. To facilitate open democracy, participatory governance and transparency in Higher education, it has been a regular survey conducted by department of Higher Education under the MHRD since its inception. The rich data-base built from the data collected under AISHE is used in making informed policy decisions and research for development of education sector at District, State and All India levels. The main objective of this survey is to identify & capture all the institutions of higher learning in the country and collect the data from all the higher education institutions on various aspects of higher education such as Institution's basic information; Teacher's Details; Details of Non-Teaching Staff; Programmes conducted under various Departments; Students enrolled in these Programmes; Examination results of terminal year/final semester of each Programme; Financial information under various heads; Availability of infrastructure facility; Student scholarships, loans; and Accreditation of the Institution.

As a part of this survey, our College under the West Bengal State University has been submitting its annual report regularly since 2014-15.

CELLS UNDER IQAC

Counselling Cell

The institution has a counselling cell that monitors and directs counseling activities on campus. The cell conducts talks, workshops and interactive sessions for the students during the academic year.

A Professional Counselor is available on campus. The Mentoring system monitors the overall performance of the students and provides academic career and personal guidance. At the beginning of the academic year, the first-year students attend an Orientation program which incorporates introducing a fresher to the academic and co-curricular activities of the college. A programme related to this cell will be inaugurated in a short while.

In case of any mental anxiety and any kind of physiological trauma, may seek help from the Counselling Cell through the mail. E-mail ID of Counselling Cell- scc.counselling2020@gmail.com

Career Guidance Cell

The institution has a Career Guidance and Placement Cell which organizes programs to guide students in terms of appropriate career choices and gainful employment. The college invites reputed organizations for recruitment. This cell has organised a Career Awareness Programme on 12.04.2022 in collaboration with Vanik Institution.

Grievance Cell

The grievance cell of Sree Chaitanya College, Habra, had a 'Grievance Box' situated in our college building for manual operation. Due to the pandemic situation, the college remained closed. Members of the Grievance cell along with IQAC Co-Ordinator tried hard to solve the grievance/ problems of our students. An online grievance submission process was made available to our running students of 2021-2022 sessions. A platform (email ID: scc.grievance@gmail.com) was created and linked with our college website, where a student expressed his/her grievance related to academic problems, to the College Authority.

Anti-Sexual Harassment Cell

An Anti-Sexual Harassment Cell is constituted and provides information to the students and staff from time to time. It organizes awareness workshops on this issue. Awareness about sexual harassment is also created through the value education classes, monitoring system and the counselling cell. This cell has organised a 'Gender Sensitization & Legal Awareness' programme on 17.06.2022 to maintain a healthy and congenial atmosphere in the institution.

Internal Complaints Committee

In compliance with the Supreme Court Judgement and guidelines against Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 [POSH Act], an Internal Complaints Committee has been formed to protect against sexual harassment of women at the workplace and for the prevention and redressal of complaints of sexual harassment. The Committee aims to conduct awareness programmes to enlighten the students and staff of the college on the issues of basic human rights, gender equality and protection against sexual harassment. Complaints of sexual harassment at the workplace may be sent by any aggrieved female student or staff of the college through email (sccposhicc@gmail.com).

Women's Cell

The Womens' Cell of Sree Chaitanya College, Habra, was an initiative by the then IQAC. The idea behind the formation of this cell was to sensitize our students on the women related issues prevailing in our society. Increased

awareness leads to increased sensitivity and responsible behaviour towards our immediate social surroundings. Other than the students (both male and female), who were one of the stakeholders of this cell, teachers and members of the non - teaching staff of our college participated here with enthusiasm as well. The Chairperson of the

West Bengal Commission for Women was gracious to render her best wishes by inaugurating this cell along with her team.

Anti-Ragging Cell

An Anti-Ragging Cell has been established and awareness of this body is made known to the students, parents and guardians at the time of admission and the orientation program. However, no cases of ragging were found or reported till date.

Research and Development Cell

The institution has a research and development cell (R&D Cell) which aims to nurture research culture in the college by promoting research in areas of Science and Humanities. In order to strengthen and expand the research activities in the institute, the R&D cell is functioning in this institution from last several years. It encourages the faculty to undertake research projects in newly emerging frontier areas by sanctioning research grants from the college. The potential growth in the research activities includes enhancement in the research publications and the sanctioned research grants motivate the faculty members of the college to present/publish their research papers in reputed National and International Conferences and Journals. The committee members of the cell record, regulate and monitor the research projects which are sanctioned every year.

The R & D Cell organised a webinar on 'Blended Mode of Learning in a New Normal Scenario' on 5th January 2022.

EXTRA CURRICULAR ACTIVITIES

Institutional Promotion for participation of students in Extra Curricular activities

The policy of the institution is the holistic development of each and every student. For this purpose, the college organizes several extra co-curricular activities and motivates them to participate in the same. Equal and ample opportunity is provided to the students for participating in extracurricular events through a platform like auditions and selection.

1. NATIONAL CADET CORPS (NCC), UNIT-6

The National Cadet Corps (NCC) as the Indian military cadet corps was formed in 1948 and its Headquarter is at New Delhi, India. It is primarily open to school and college students on a voluntary basis. It is a Tri-Services Organization, comprising the Army, Navy and Air Force. It is a voluntary organization that recruits cadets from schools, colleges and universities all over India and the cadets are given basic military training in arms and parades. The cadets are offered with A, B and C certificates after completion of their course accordingly and have a bright prospectus to enter into defence services. They are generally given special preference over normal candidates during selections or recruitment of defence services. The main motto of NCC is "**Unity and Discipline**" and living up to this motto, it strives to be one of the greatest cohesive forces of the nation, bringing together the youth hailing from different parts of the country, moulding them into united, secular and disciplined citizens of the nation. Its aim stands at developing discipline, character, and brotherhood, the spirit of adventure and ideals of selfless service amongst young citizens and enlighten leadership qualities among them who will serve the Nation.

However, the NCC unit of our college began its journey from the very inception of the institution in 1956. Presently, the Unit has two wings: **Senior Wing for Boys and Junior Wing for Girls**. Regular classes and special training are provided for the cadets. The NCC unit also arranges special camps for the cadets in different parts of West Bengal where the Army officers guide the cadets. The Unit sends best cadets for the RDC camp at Delhi.

Students can join this unit of our college to build a bright career of their own especially in the fields of police and defence. Dr. Bedprakash Ray, Department of Anthropology, is the ANO of the NCC unit of our college and students may contact him in case they are interested in this field.

2. NATIONAL SERVICE SCHEME (NSS) UNIT

The National Service Scheme, popularly known as NSS, was launched in 1969 to celebrate the birth centenary of the Father of the Nation. The overall aim of the National Service Scheme as envisaged earlier is to give an extensive dimension to the higher education system and orient the student youth to community service while they are studying in educational institution. The reason for the formulation of this objective is the general realization that the college and +2 level students have a tendency to get alienated from the village/slum masses which constitute the majority of the population of the country. Each student volunteer devotes 120 hours in one academic year.

The Motto of National Service Scheme is "NOT ME BUT YOU", reflects the essence of democratic living and upholds the need for self-less service. NSS helps the students develop appreciation to other person's point of view and also show consideration to other living beings. The philosophy of the NSS underlines on the belief that the welfare of an individual is ultimately dependent on the welfare of the society on the whole and therefore, the NSS volunteers shall strive for the well-being of the society.

An NSS unit of our college started functioning since May, 2016. Our total volunteers' strength is 100. The unit provides scope for the student-volunteers to participate Regular Activity & Special Camping Programme in such social works as Health Issue, environmental Issue, Campus cleaning, literacy centre for the illiterate and coaching classes for poor school students of the locality, relief work, gardening etc. This unit has planned several activities during the academic year '2022-2023'.

UG 1st year, 2nd year (Honours & General) and PG 1st year students of all arts and science departments of Sree Chaitanya College, Habra are cordially invited to join NSS (National Service Scheme) activities of this college. Interested students are requested to contact the NSS Programme Officer (SCC, Habra) Dr. Biswanath Sarkar, Department of Political Science. There is no entry-fee.

Detailed information on NSS can be obtained from: www.nss.nic.in and our College Website NSS link: <https://sreechaitanyacollege.in/NSS>.

3. SPORTS AND GAMES

For a long time sports has been viewed as a way to stay healthy and in shape, but its importance goes further than that. As a matter of fact, sports teach life lessons like discipline, responsibility, self-confidence and teamwork. Sree Chaitanya College which was established in the year 1956 has a rich legacy of sports activities. The students of the college have been actively participating in various sports activities like Football, Volleyball,

Badminton, Kabaddi, Cricket and Athletics. The College can boast of the fact that the students have successfully participated in the University Football team.

The college provides all the facilities for different types of indoor games. Moreover, it has a flourishing Yoga Centre. Annual Sports Day was observed on 15th March with much enthusiasm. To make games and sports an integral part of student's life, the College has introduced the Department of Physical Education in the year 2016.

The college shall offer a number of choices of courses from different disciplines under Generic Elective and Discipline Specific Elective as per the availability of the courses/faculty at a particular time.

DURATION OF COURSE

For all the students obtaining admissions under the Three Year Under-graduate Program under CBCS starting 2018-19, the period to complete the course will be a maximum 5 years from the year of admission in the first semester, provided the student has completed all requirements to become eligible for appearing in the University Examinations as per rules.

Mechanism of computation of work-load per week:

- i) 1 Credit = 1 Theoretical class of 1- hour duration
- ii) 1 Credit = 1 Tutorial class of 1- hour duration
- iii) 1 Credit = 1 Practical class of 2- hour duration

Semester duration: 15 weeks of direct teaching

MARKS DISTRIBUTION AND EVALUATION

Full marks for each course of

- B.A./ B.Sc./ B.Com. (Hons. & Gen.), carrying 6 credits, will be 75
- B.A./ B.Sc./ B.Com. (Hons. & Gen.), carrying 2 credits, will be 25

The University has allotted 20% of the internal marks towards regular attendance to ensure the presence of students in the classroom which is the fundamental concept of the CBCS system.

Marks distribution for Theoretical Courses (no practical component) will be as follows:

- i) For a 6 credit course having 75 marks, 25 marks shall be assessed by the College (internal) and 50 marks by the University (End Semester).
- ii) Out of the 25 marks allotted as internal evaluation the breakup of marks will be as follows
 - 5 marks (20%) on attendance and
 - 20 marks (80%) in the form of class test/ assignment/ seminar /any other method to be decided by the respective Board of Studies
- iii) The marks (5) for attendance shall be allotted as: Attendance >90% = 5marks
Attendance >80% but less than 90% = 4 marks
Attendance >75% but less than 80% = 3 marks
Attendance >70% but less than 75% = 2 marks
Attendance >60% but less than 70% = 1 mark

Marks distribution for Courses, having practical component will be as follows:

For a 6-credit course having practical component the total marks will be distributed as Part A (Theory) 50 marks + Part B (Practical) 25 marks = 75 marks

Part A

- i) For a 4-credit theory course having 50 marks, 10 marks shall be assessed by the College (internal) and 40 marks by the University (End Semester).
- ii) Out of the 10 marks allotted as internal evaluation the breakup of marks will be as follows:
 - 2 marks (20%) on attendance and
 - 8 marks (80%) in the form of class test/ assignment/ seminar /any other method to be decided by the respective Board of Studies

- iii) The marks (2) for attendance shall be allotted as
Attendance >90% = 2 marks
Attendance >60% but less than 90% = 1 mark

Part B

i) For a 2-credit practical course having 25 marks, 15 marks shall be assessed by the College (internal) and 10 marks by the University (End Semester)/college (as end semester)evaluation.

ii) Out of the 15 marks allotted as internal evaluation the breakup of marks will be as follows
3 marks (20%) on attendance and
12 marks (80%) in the form of continuous assessment of the practical classes /any other method to be decided by the respective Board of Studies

iii) The marks (3) for attendance shall be allotted as
Attendance >90% = 3marks
Attendance >75% but less than 90% = 2 marks
Attendance >60% but less than 75% = 1 mark

iv) The End semester examination shall be in the form of a Grand Viva-voce/Laboratory note book evaluation/ hands on experiment/ demonstration/ any other method to be decided by the respective Board of Studies. However, the candidate shall be barred from appearing in the said end semester examination if at least 60%of his/her practical assignments are not duly signed by the respective teacher in the college.

v) For Core and DSE courses under the Honours program the end semester evaluation will be organized by the University but for GE courses under the Honours program and Core, DSE and GE courses under the general program the end semester evaluation will be organized by the college where the student is registered.

- The pattern and the breakup of marks allotted for the question in the different examinations shall be finalized by the respective Board of Studies in the relevant subject. The University shall ensure that both objective and subjective questions are part of the evaluation system to assess the overall concept of the candidate.

vi) For the AECC of 2 credits comprising of 25 marks, 5 marks (20%) have been allotted for regular attendance and 20 marks (80%) for End semester examination.

The marks (5) for attendance shall be allotted as:

Attendance >90% = 5marks
Attendance >80% but less than 90% = 4 marks
Attendance >75% but less than 80% = 3 marks
Attendance >70% but less than 75% = 2 marks
Attendance >60% but less than 70% = 1 mark

vii) The End Semester Examination for Environmental Science shall be in the form of Multiple-Choice questions which shall be evaluated by the college. However, question papers will be sent centrally by the University. The evaluation can be either through OMR or conventional methods.

viii) The End semester Examination of English/MIL communication shall be conducted by the college. The evaluation method is to be finalized after taking into account the course structure after due approval from the respective Board of Studies in the concerned subjects.

ix) For the SEC of 2 credits comprising of 25 marks, 5 marks (20%) have been allotted for regular attendance and 20 marks (80%) for End semester examination.

The marks (5) for attendance shall be allotted as

- Attendance >90% = 5marks
- Attendance >80% but less than 90% = 4 marks
- Attendance >75% but less than 80% = 3 marks
- Attendance >70% but less than 75% = 2 marks
- Attendance >60% but less than 70% = 1 mark

x) The End Semester Examination shall be conducted by the University. The evaluation method is to be finalized after taking into account the course and the facilities available after due approval from the respective Board of Studies in the concerned subject.

- The University shall hold the end semester examinations in a centralized manner for the Core Courses (CC) and Discipline Specific Elective (DSE) courses and the evaluation of the answer scripts will also be done in a centralized manner.
- The University shall hold the end semester examinations in a centralized manner for the Generic Elective (GE) courses and the evaluation of the answer scripts will be done internally by the respective colleges.
- The distribution of marks will be as follows

PASS PERCENTAGE AND PROMOTION RULES

for all the Under-Graduate Courses under Choice Based Credit System

The following provisions shall be applicable to students admitted to the Three-Year Undergraduate program under Choice Based Credit System (CBCS):

- A student who appears in a semester examination or who was eligible to appear in the semester examinations but remains absent in any or all the courses of the said semester, shall move on to the next semester irrespective of his/her result in the said examinations. This will only be applicable up to the 4th semester examination.
- A student who has obtained at least 40% in all the courses in theory examination (including internal assessment/ project work) and practical examination separately conducted in the different semester examinations shall be promoted to the next semester without any backlog.
- A student who has not obtained at least 40% in all the courses in theory examination (internal assessment/ project work) and practical examinations separately, conducted in the different semester examinations shall be promoted to the next semester with previous un cleared backlog courses. However, the candidate must clear all his backlog courses before he is promoted to the final 6th semester. In other word, a student cannot be promoted to the 6th semester if he has not cleared all his previous courses.
- Students who do not fulfil the promotion criteria mentioned above shall be declared fail. However, they shall have the option to retain the marks in the courses in which they have passed.
- If a student has secured the minimum number of credit necessary for the relevant degree taking together all the courses in theory examination (including internal assessment/ project, wherever applicable) and practical exam separately till the end of the third year, i.e., up to the end of the 6th semester, then she/he shall be awarded the degree in which the student has been admitted.
- A student who wants to re-appear for clearing backlog in a course will have to do so only when the corresponding course is offered/ evaluated in the next semester under regular examination procedure. A student failing in any Semester examination will have to appear for clearing the backlog when the same semester examination is held next year and so on. However, the internal assessment/internal marks will remain unaltered.

Re-appearance for improvement

- A student may re-appear in any theory course prescribed for a semester, on foregoing in writing her/his previous performance in the course/s concerned. This can be done in the immediate subsequent semester examination only (for example, a student reappearing in course prescribed for semester I examination may do so along with subsequent semester III examination and not along with courses for semester V).
- This option of reappearance for improvement will be available only once per course against prescribed fees. All requests for reappearance for improvement must be made within 15 days of publication of result after which no such request will be entertained.
- A candidate who has cleared the 6th semester examination but wants to apply for reappearance for improvement in the 6th semester course in the immediate subsequent semester when the course is being offered under regular study must forgo in writing his/her previous performance in the course concerned within the prescribed time period of 15 days. However, candidates under this category will not be allowed to join in any postgraduate course under this university.
- In the case of re-appearance in course, the candidate will have to forgo his earlier marks obtained and the result will be prepared on the basis of candidate's latest performance in the examinations.
- In the case of a candidate, who opts to re-appear in any course/s under the aforesaid provisions, on surrendering her/his earlier performance but fails to reappear in the course/s concerned, the marks

previously secured by the candidate in the course/s in which she/he has failed to re-appear shall be taken into account while determining her/his result of the examination held currently.

- Re-appearance in practical/internal assessment shall not be allowed. An exception to this will be only applicable when the candidate decides to re-join the entire semester by taking fresh admission to the relevant semester after paying necessary admission fees as prescribed. There shall be no supplementary examinations for any courses.

Letter grades and grade points:

A student who becomes eligible for the degree will be categorized on the basis of the combined result of semester I to semester VI examinations under CBCS on a 10-point grading system with the following Letter Grades as given below:

LetterGrade	Grade Point
O(Outstanding)	10
A+(Excellent)	9
A (VeryGood)	8
B+ (Good)	7
B(AboveAverage)	6
C(Average)	5
P (Pass)	4
F (Fail)	0
AB (Absent)	0

Issue of Transcripts:

Based on the grades earned, a Grade Certificate shall be issued to all the registered students by the University after every semester and a consolidated transcript indicating the performance in all semesters. The Grade Certificate will display the course details (code, title of the course, number of credits, grade secured) along with SGPA of each semester and CGPA earned based on overall six-semester.

ADMISSION REGULATIONS(As per WBSU)
For Six Semester B. A./B. Sc./B. Com. (Honours/General)
Under Choice Based Credit System (CBCS)
2022-2023

1. Admission Qualifications

A candidate who has passed the Higher Secondary (10+2) or its equivalent examination is eligible to seek admission to the First Semester of the Six Semester B.A./B.Sc./B.Com. (Hons. and Gen.) or B. A. Music. (Hons. and Gen.) Course of studies provided he/she has also passed in English having full marks not being less than 100.

In any case, where there is an ambiguity regarding the admissibility of a particular examination at the Higher Secondary (10+2) level of study, the matter shall be referred to the Equivalence Committee of the University who shall determine the eligibility of the said examination.

However, no candidate, in general, shall be allowed for admission after a lapse of more than 3 years from the year of passing the previous qualifying examination. Those desirous to do so will seek permission from the University Authority.

The year of admission shall not be taken into account while calculating 3 years from the year of passing the previous qualifying examination.

However, in exceptional cases a candidate may be allowed for admission after 3 years of the previous qualifying examination but within 3 years after discontinuation of a recognized regular Course of Study. Those desirous to do so will seek permission from the University Authority.

For the purpose of determining eligibility for admission to the Honours Course, aggregate marks shall be calculated by adding the marks of top four subjects in order of marks secured by a candidate. However, marks in compulsory Environmental Education/Studies shall not be taken into account for calculation of aggregate marks. If the subject "Environmental Science" is studied as an elective subject of 100 marks, it may be taken into account for the purpose of determining the aggregate marks.

2. Eligibility Criteria

2(a) A candidate taking up Honours Course in a subject must have obtained:

i) A minimum of 50% marks in the aggregate and 45% marks in the subject or related subject at the previous qualifying examination. In case of B. Mus. (Hons.) 45% marks in the aggregate and 45% marks in the subject Music in the pre-qualifying examination.

OR

ii) 55% marks in the subject or related subject at the previous qualifying examination.

OR

iii) 50% marks in the aggregate when the candidate has not studied the subject in his/her previous qualifying examination provided all the other clauses are satisfied.

However, if in any Honours subject, the number of applications is so low that even the permitted intake of the college cannot be filled up, then the principal may use his discretionary power to reduce the minimum requirement for admission in that subject. A written note in that respect should reach the Registrar for consideration of that decision for a final approval by the University and the decision will be communicated to the Dept. of Higher Education, Govt. of West Bengal for information.

2 (b) However, candidates belonging to the Scheduled Caste or Scheduled Tribe Community taking up Honours Course of study must have obtained a minimum of 40% marks in the aggregate and 40% marks in the subject or related subjects at the previous qualifying examination, as the case maybe.

3. Candidates from other Boards

3.(a) Students, who have passed the Higher Secondary (10+2) examination or its equivalent from the All India Boards/Councils or State Boards/Councils including vocational studies, are eligible for study at the UG level. Those who have passed from open schools are eligible only for General Courses.

3.(b) Students who have passed the Higher Secondary (10+2) examination or its equivalent from the All-India Boards/Councils (i.e., CBSE, ISC and National Institute of Open Schooling) are not required to submit the Migration Certificate for getting Registration under this University.

3.(c) Any dispute regarding eligibility criteria would be resolved by the Equivalence Committee set up by the University or by the Executive Council in its absence.

4. Choice of Courses

(a). For the B.A./B.Sc. (Honours) Course of Studies, a candidate is required to choose his/her Honours in a discipline and two other disciplines for Generic Elective courses, from among Group-I to Group- VIII as follows by taking not more than one disciplines from any of the groups mentioned hereunder:

(b). For the B.Sc. (General) Course of Studies, a candidate is required to choose three disciplines from among Group-I to Group-VIII as follows by taking not more than one disciplines from any of the groups mentioned here under:

(c). For the B.A. (General) Course of Studies, a candidate is required to choose two main disciplines and for Generic Elective courses the student is required to choose a third discipline, from among Group-I to Group-VIII as follows by taking not more than one disciplines from any of the groups mentioned hereunder:

Groups of Disciplines

- Gr. I.: Physics, Zoology, Physical Education
- Gr. II: Mathematics, History
- Gr. III: Chemistry, Defence Studies, Sanskrit
- Gr. IV: Botany, Economics
- Gr. V: Political Science
- Gr. VI: Geography, Philosophy, Journalism & Mass Communication
- Gr. VII: English
- Gr. VIII: Anthropology, Bengali

5. Mandatory Subject Requirement (at H. S. level)

A candidate shall be allowed to take up the discipline (s) under heading "A" if he/she had passed the subject (s) under heading "B" at the previous qualifying examination.

Sl. No.	A	Sl. No.	B
1.	Mathematics	1.	Mathematics
2.	Physics	2.	Physics and Mathematics
3.	Chemistry	3.	Chemistry and Mathematics
4.	Zoology	4.	Zoology/ Biology/Biotechnology

6.	Anthropology	6.	Anthropology/Biology/Biotechnology
7.	Geography	7.	Geography and Economics/Statistics/Mathematics
8.	Economics	8.	Mathematics

6. Some Special conditions for admission to Honours Courses are as follows:

To take up Honours in any subject, the candidate has to pass in that “subject” or “any related subject” in the H.S. examination. In the above table, in general, “subject” and “related subject” are given under the columns A and B. However, the following restrictions supersede the previous clause.

(i) **Economics:** A candidate shall be allowed to take up Honours in Economics if he/she has passed in Mathematics at the H.S. or its equivalent Examination. However, it is advisable that a student pursuing Honours in Economics takes Mathematics as a Generic Elective (for pursuing higher studies in the subject in future).

B. A student shall be given B. Sc Honours degree in Economics if he/she takes up at least one discipline from the Science group for his/her Generic Elective (as given in sec 7a) and shall be awarded B.A Hons degree in Economics if both the disciplines chosen for Generic Electives are from the Arts & Humanities group (as given in sec 7b).

A student will be given B.Sc. degree in Economics if he/she earns required number of credits in the structure appropriate for B.Sc. General and chooses at least one discipline from science group besides economics.

A student will be given B.A. degree in Economics if he/she earns required number of credits in the structure appropriate for B.A. General and chooses the other main discipline (and not the Generic Elective) from science group besides economics.

(ii) **Mathematics:** a candidate, who has passed Mathematics (and not Business Mathematics) at H.S. level, is eligible for admission to Mathematics Honours course. As student will only be given the B. Sc degree for Mathematics subject. It is mandatory for the student to choose both the subjects from the Science group (as given in sec 7a) to be eligible for the aforesaid degree.

(iii) **Anthropology:** Students pursuing Honours in Anthropology should take Generic Elective disciplines from the Science Group (as given in sec 7a).

(iv) **Philosophy:** Subject Psychology is a related subject.

(v) **Physics:** Students studying Honours in Physics will have to take elective subjects as stand here under and in conformity with Grouping of subjects:

(a) Mathematics and Chemistry

(vi) **Geography:** A student will only be given the B.Sc. Honours degree for Geography subject. Students studying Geography will have to take two disciplines as generic elective subjects from the disciplines mentioned hereunder and in conformity with Grouping of subjects: Mathematics, Economics, and Political Science.

7. Division of B.A./B.Sc. Honours and General subjects:

a) Arts & Humanities:

History, English, Bengali, Political Science, Sanskrit, Philosophy, Defence Studies Journalism & Mass Communication, Physical Education.

b) Science:

Physics, Zoology, Chemistry, Botany, Mathematics, Anthropology, Geography, Economics.

8. A candidate taking up Honours in B.A. Degree Course shall study:

- i) Honours in any one subject of the Humanities Group, which shall consist of 14 core courses (ACOR) and any two other subjects as Generic Elective Courses (HGEC) which shall consist of 4 courses (two courses from each discipline) taking at least one from Humanities Group.
- ii) In addition to i) above, a candidate also has to do 4 courses in Discipline Specific Elective (ADSE) in his/her chosen Honours subject area.
- iii) However, that other things remaining the same, a candidate may take up Honours course in B.A. in the following subject without taking any elective subject from the Group of Science
a) Economics.

9. A candidate taking up General Course of study for the B.A. Degree shall study:

- i) Any two subjects from the Humanities Group, which shall consist of 8 core courses (GCOR) taking 4 courses from each discipline. In addition, the candidate has to do 2 core courses in English language (ENGLCOR) and two core courses in Modern Indian Language (XXXLCOR). (Bengali MIL, Sanskrit MIL, Alternative English MIL).
- ii) The candidate also has to choose 4 courses in Discipline Specific Elective (GDSE) in his/her above chosen 2 subject areas.
- iii) The candidate also has to choose two courses from one subject (other than the subjects chosen above under sec 10.1) as a Generic Elective Course (GGEC)

10. A candidate taking up Honours Course for B. Sc. Degree shall study:

- i) Honours in any one subject of the Science Group, which shall consist of 14 core courses (ACOR) and any two other subjects as Generic Elective Courses (HGEC) which shall consist of 4 courses (two courses from each subject) taken from the Science Group.
- ii) In addition to i) above, a candidate also has to do 4 courses in Discipline Specific Elective (ADSE) in his/her chosen Honours subject area.
- iii) However, the other things remaining the same, a candidate may take up Honours course in the B.Sc. in the following subjects by taking at least one Generic Elective subject from the Group of Science.
a) Economics.

11. A candidate taking up General course for the B. Sc. Degree shall study:

- i) Any three subjects from the Science Group / Home Science Group which shall consist of 12 core courses (GCOR) taking 4 courses from each subject.
- ii) The candidate also has to choose 6 courses in Discipline Specific Elective (GDSE) in his/her above chosen 3 subject areas.
- iii) However, the other things remaining the same, a candidate may take up General course in B.Sc. in Economics General if the candidate chooses any one subject from the Science/ Home Science Group.

12. A candidate taking General Course in B.A./B. Sc degree shall study:

- i) In addition to what has been mentioned above a candidate under the General stream has to complete two courses under Ability Enhancement Compulsory Course (AECC). One such course shall be in Environmental Science (ENVSAEC) and the other course will be communicative course either in English (ENGSAEC) or any Modern Indian Language (MIL) (SAEC).
- ii) The candidate also has to study 4 Skill Enhancement courses (SEC) from any subject of his choice across the different disciplines offered by the institute where he/she is studying.

13.A candidate taking Honours Course in B.A./B. Sc degree shall study:

- i) In addition to what has been mentioned above a candidate under the Honours stream has to complete two courses under Ability Enhancement Compulsory Course (AECC). One such course shall be in Environmental Science (ENVSAEC) and the other course will be communicative course either in English (ENGSAEC) or any Modern Indian Language (MIL) (SAEC).
- ii) The candidate also has to study 2 Skill Enhancement courses (SEC) from any subject of his choice across the different disciplines offered by the institute where he/she is studying. Paper code for the courses will be SSEC.

14. Interdisciplinary Subjects

Any B.A. Student can choose any Science subject as a HGEC or GGEC course and all such candidates shall be admitted on the basis of the Admission Test/Screening to be conducted by the College Authority concerned to assess the aptitude of the candidate in the relevant subject.

15. Post-admission Stipulations:

- i) Colleges have the freedom to hold any number of tests and internal examinations of its own students. However, Colleges will not hold any elimination/qualifying test in the midway for students admitted to the different Course of Studies.
- ii) The evaluation and assessment pattern under CBCS system will be regulated as per provisions of the regulation which will be in force at the time of the said examination. Any dispute regarding the above would be resolved by the relevant Examination rules and regulations set up by the University or by the Executive Council.
- iii) It is expected that the semester examinations will be held every six months as per the academic calendar which will be duly intimated in advance by the University.

16.Foreign Nationals:

The candidate (Foreign Nationals) will have to show "Original Copy" of Certificate of Madhyamik (or equivalent), Certificate of Higher Secondary (or equivalent) and original Passport (along with Visa) at the time of admission. Foreign Nationals will have to pay the fees five times higher than the Indian Nationals.

17. College Transfer:

Transfer of candidates from one affiliated college to another will be possible as per the provisions laid out in the regulation of CBCS system which will be in force at the relevant time. However, in all cases such transfers will be effective after due approval of the application of the candidate concerned along with requisite non-refundable fees to the University administration without contravening the provisions of the

Regulation in force. The West Bengal State University reserves the right to approve or reject such applications of transfer and it cannot be treated as a matter of right on behalf of the applicant concerned.

18. Re-admission:

In case of discontinuation of Studies, the candidate concerned can be permitted only fresh admission with the issuance of new Registration (in cancellation of the earlier registration) after submission of an affidavit from a 1st class Judicial Magistrate that he/she has not taken admission under any other University/Institution in the intervening period. All such cases of fresh admission have to be preceded with the cancellation of earlier registration. For all such re-admission, the provisions of this regulation in consonance with the Act and Statute of the West Bengal State University and the guidelines issued by the West Bengal Higher Education Council from time to time should be followed.

19. Completion of UG Course:

As per UGC norms, a candidate has to complete the Under Graduate Course (6 semesters) within 5 years (five years) from the date of Registration.

- i) A student enrolled for a Honours degree of the University shall be awarded the same if he/she completes a total course of 140 credits along with the mandatory satisfactory completion of the different courses under the said course for the aforesaid degree.
- ii) A student enrolled for a General degree of the University shall be awarded the same if he/she completes a total course of 120 credits along with the mandatory satisfactory completion of the different courses under the said course for the aforesaid degree.

20. The admission to the UG courses under CBCS regulations shall be followed strictly on the basis of the aforesaid provisions. However, in cases where the provisions fail to clarify any regulation or is ambiguous in its interpretation, the matter shall be referred to the Hon'ble Vice Chancellor whose decision in the said matter would be final. The Vice Chancellor's decision shall be communicated to the Executive Council of the University.

21. For all admission and re-admission cases, the provisions of this regulation in consonance with the Act and Statute of the University guidelines issued by the West Bengal Higher Education Council and Department of Higher Education, Govt. of West Bengal from time to time should be strictly followed.

STUDENTS' UNION

All the students of the college are members of the Students' Union which functions through a committee elected by the students. The aim of the union is to provide a common platform to the students belonging to different communities where they may mix freely and work in close co-operation with one another in an atmosphere of goodwill and harmony. The Union arranges social functions, educational excursions, debates, seminars and sports.
