MESSAGE FROM THE PRINCIPAL'S DESK

"Education is the most powerful weapon which you can use to change the world"

-Nelson Mandela

Dear students,

It gives me immense pleasure to welcome you all as students of Sree Chaitanya College, Habra, for the academic session 2021-22. You are joining our college at a time when the COVID-19 pandemic has, perhaps irretrievably, changed the world around us. And as the world has changed, our college has slowly adjusted its ways to reach out to its students through the newer modes of online learning and digital classroom experience. During the last three semesters, we have successfully switched to online learning, and all of our classes are currently being conducted on various digital platforms. Information pertaining to classroom teaching, continuous assessment, projects, and semester examinations is regularly updated on our college website. The various offices of the college have worked through the pandemic, and now all office work has been digitalised. All of our departments maintain dedicated WhatsApp and Telegram groups for each batch to ensure that none of our students are left out when some necessary notice or information needs to be shared. In order to bridge the digital divide, starting this year, the Teachers' Council of our college has initiated a Students Welfare Fund for underprivileged students in need of financial support during the pandemic. I hope that, despite the troubled nature of these times, you will be able to benefit from your college experience and emerge as responsible future citizens and academics by learning from the new digital technologies, as well as drawing energy from the glorious past of our college.

Let me take this occasion to introduce our college to you. Continuing on a glorious tradition since its founding in 1956, Sree Chaitanya College, Habra, devotes itself to excellence in teaching, learning, and research, while relentlessly trying to push the boundaries of knowledge. For us, knowledge is not mere information but wisdom to equip life with the necessary tools to face challenges of future. In this competitive era, it is of paramount importance to equip students with appropriate knowledge, habits, attitudes and values leading to holistic development. Alongside quality education, our college encourages various co-curricular and extra-curricular activities, which are organized by various clubs and societies to facilitate the process of creative and critical thinking. We not only focus on inculcating social and moral values, compassion for nature, pride for Indian culture and tradition and awareness for one's rights and duties, but intend to make you good human beings, confident about pursuing on your life-dreams in the future.

I feel proud to acknowledge the contribution of our highly qualified, dynamic, and multi-talented faculty members, non-teaching staff, and students. Our teachers work hard throughout the year to mentor students and provide them with high quality educational experience in the form of digital classes, group discussions, workshops, symposia, seminars, webinars, and cultural events. Our college regularly invites eminent personalities from all walks of life to address our students and expose them to new ideas and thoughts. I encourage all students to take advantage of the opportunities provided by the college and involve themselves in their studies and all the extra-curricular activities that are currently being offered in the digital mode. The overall development of the mind and body is a sure sign of a healthy process of development. We aim to nurture our students by paying close attention to their physical, mental, social, emotional and intellectual development.

Once again, on behalf of the Sree Chaitanya College family, I welcome all the students to this new academic session and wish you all the best for achieving greater success and scaling new heights in the coming session. Keep yourself, your classmates and your family safe during this pandemic by following the necessary COVID-19 protocols. Together, we hope to emerge through these trying times, and bring greater glories to our college.

With blessings and warm wishes,

Dr. Indramohan Mandal
Principal

ABOUT US

THE LEGACY

Sree Chaitanya College, Habra occupies a very distinguished position in the higher education map of the district of North 24 Parganas, as well as of the state of West Bengal. The institution overlooking Jessore Road (NH 35), is about 40 km from Kolkata. This college was established in 1956, primarily to cater the need of the thousands of helpless youths who, owing to the partition of India, were forced to settle almost as paupers in this part of the state, but had nourished deep in their hearts an inextinguishable urge to pursue higher education to overcome their miseries. Their dream would have never been realized without the initiative of the Habra Siksha Parishad and the kind patronage of the Government of West Bengal and the legendary Chief Minister, Dr. Bidhan Chandra Roy, who encouraged the founding of the college. The project was given proper shape by the youngest minister in the Roy-Cabinet, Tarun Kanti Ghosh, who was also an MLA from Habra. Ghosh patronized the foundation of the College by donating Rupees Fifty Thousand, and he became the first president of the Governing Body of Sree Chaitanya College, Habra (1956-67).

As time rolled on, the college grew into a giant academic institution spreading across a large campus area of 89,030 square metres with Honours departments in Arts and Science subjects. The College has always been blessed with a group of dedicated teachers with brilliant academic careers and a band of committed non-teaching staff, including librarians. The hard work of the entire college staff has helped in producing generations of excellent students with excellent academic results, many of who became University toppers. Many of our former students have been very successful in life as school/college/university teachers, researchers in renowned institutions in India and abroad, bureaucrats and technocrats in government services or business corporations, and as journalists, authors, and theatre personalities of repute.

THE COLLEGE NOW

From 2008, with the foundation of the West Bengal State University (WBSU), the college came under its affiliation with effect from the academic session 2008-09. We offer 14 Honours Subject Courses and 17 General Subject Courses according to the CBCS (Choice Based Credit System) syllabi framed by WBSU and its respective Boards of Studies (BOS). It is worth mentioning that for last few years, we have also introduced Post Graduate (PG) courses in Bengali, Chemistry and Anthropology with huge responses from the students. In these courses the College has its own PG-BOS for the respective departments, which frame their own respective syllabus and thus contribute to the development of higher education. Besides regular courses, we also offer distance education courses both at the UG and PG levels as a unit of Netaji Subhas Open University (NSOU).

The regular CBCS-based UG courses are of three years which a student must complete with a maximum span of five years as per university regulations. Students enjoy freedom to switch over to a new subject of stream within three months from the day of admission according to merit list and subject to the availability seats. They are admitted to Honours Courses purely on the basis of their results in the Higher Secondary and equivalent examinations. Seats are reserved for students from SC/ST/OBC background as per government rule.

It should be seriously noted that the college observes and maintain strict discipline with respect to attendance in classes because we firmly believe that there is no alternative to classroom teaching.

Our science departments are well equipped with most updated laboratories and scientific instruments. Most of the departments have their computers with internet facilities and some science departments have computer laboratories. A dedicated Academic Calendar showing the allotment and workload, time frame and internal examinations schedule, is made at the beginning of each session. Classroom teaching is supplemented by (i) occasional holding of seminar-lectures on particular topics, (ii) arrangements of lectures by students, (iii) publications of departmental journals as well as wall magazines, (iv) educational tours, and (v) special lectures by eminent teachers of other colleges. The college runs a students' hostel for boys, especially catering to the residential needs for students coming from distant places. The college also follows the RTI Acts, and has setup a Public Information Cell. Moreover, the college has a huge treasure of valuable academic resources as well as text books kept in the Central Library and at the departmental libraries.

We firmly believe in an all-round development of our students. We encourage them to seriously take up co-curricular and extra-curricular activities along with academics. We have more than one playground, an open-air theatre and one auditorium. Besides these there are separate well-equipped gymnasiums for boys and girls. We also provide several indoor games facilities for boys and girls. The elected Students' Union organizes annual sports, cultural programs and various social welfare activities and also helps to develop and maintain ideal and healthy student-teacher relationship.

In the wake of the pandemic caused by the spread of the novel corona virus human lives and living has been subject to a situation of grave uncertainty. Humanity needs to come closer in the face of such an unprecedented crisis. Humans need to prioritize mental health and well-being of oneself and those around him/her above everything else. Prolonged phases of intermittent lockdowns, economic and psychological crises that have followed the COVID-19 pandemic, also saw the closure of schools and colleges. Hoping sincerely that things would take a positive turn in the near future, and normal life would be restored soon, Sree Chaitanya College, its administration, the IQAC, NSS, NCC and similar wings, and the various departments, other cells and clubs, have been extremely active and receptive in finding out ways to not just stay in touch with the students, do necessary counseling, disseminate necessary government messages/instructions on the pandemic from time to time, but also find ways to conduct online classes over several digital and virtual platforms. Apart from regular online courses and examinations, several webinars, online poster writing competitions, creative writing, essay writing, and photography competitions too have been conducted to engage our students in various ways and boost their confidence.

FUTURE PLANS

For catering to the needs of society and to fulfill the demand of higher education in the state, the college has planned to begin PG Courses in History, Mathematics and Zoology. The State Council of Higher Education has already inspected these departments but university inspection is yet to be done. Besides, the Governing Body of our college has resolved that PG courses may be opened in Department of Botany, Geography and Physics to cope with the demand for PG studies in these subjects.

About the Department

The Department of Anthropology, Sree Chaitanya College, Habra had established its Academic Excellence since 1959. Highly efficient faculties have enriched this department and their work is internationally recognized. A total of 11 faculty members (2 associate professors, 5 assistant professors and 4-SACT II faculty members) including 1 GLI and 2 skilled laboratory staff are working tirelessly for the smooth running of the department and for the best service to the students.

The department offers both Undergraduate Program (B.Sc. Honours) from 1979-80 and Postgraduate Programs (M.Sc.) from 2007-08. Infrastructural and laboratory facilities for teaching and research are available in various sub-fields of anthropology, such as osteology, serology, forensic anthropology, palaeoanthropology, prehistoric archaeology, dermatology, comparative technology, etc. In addition to these, there is a small library with a good collection of books and a computer laboratory for the use of the students of the department. The regular fields of socio-cultural anthropology, archaeology, biological anthropology and research are organized. The department organizes seminars and conferences at the state, national, and international levels at different times.

Our students have qualified NET/SET exam and are working as a Research Fellow at various universities. Many of them have been working as faculty members of different colleges as well as of different universities. Some of our alumni have worked in Anthropological Survey of India, CRI, and various reputed NGOs.

About the Department

The Department of Botany with General course was established along with the founding of the college in 1956. With renowned Botanists as faculty members, Honours Course came into reality in 1970. From then onwards, till date, our students presented us with very good results including University toppers. We have one Associate Professor, eight Assistant Professors and four SACT teachers with specialization in various branches of Botany, and three lab attendants. Our department comprises of four well equipped laboratories, departmental library, computer facility, a mini museum containing herbariums, plant and palaeobotanical specimens to give first-hand knowledge to the students. Along with studies, various co-curricular and academic activities are performed by the students and staff members every year. These include, Freshers' welcome, Teachers' Day celebration, Alumni association meet, Parent-teachers meet, Student's seminars and Quiz competitions, local and long excursions, gardening and various assignments of WBSU. Currently, two major research projects funded by SERB & WB-DST are ongoing in the department. Two research scholars (NET and SLET qualified) are also engaged in these two projects. Our faculties, who are actively engaged in the research work, have published many research papers (about 65) in many national and international journals. Alumni of this department are successfully engaged in school and college services, government services, police services, research institutes, public and private sectors. It is worth mentioning that in this pandemic situation, our department has organized many online programmes like slogan writing competition, webinar and Rabindra Jayanti Celebration.

About the Department

The Department of Zoology is one of the oldest departments in the campus which started its journey in the year 1956. Honours course was introduced later in the year 1997. The Department has well equipped laboratories along with computer cum microscopy lab, different types of models, specimens, charts, permanent slides of various kinds. Well internet connectivity in the department and all relevant software help the students immensely. A full - fledged departmental library is present as a supplement to the central library of the college to meet all kinds of need of the students. Cordial relationship between the teachers and the students and a hard working sincere team of faculty members result in excellent academic results. The department organises various seminars and workshops from time to time. Students of the department take part in various extra co curriculum activities such as cultural programmes, sports, photography competition, state and national level seminars, etc. Alumni of the department have established themselves in different kinds of services, some of them opted for higher studies as well. The department publishes its own magazine ‘Zoologica’ and numerous wall magazine publications are done time to time by the students also.

About The Department

One of the unique features of Sree Chaitanya College is the Department of Chemistry. Among the unique features of the department is the "Homely atmosphere" provided by the faculty members. The TEAM (Together Empowering to achieve more) of the teaching faculty along with the motivated Laboratory attendant felt at home with each other and this makes planning and working less stressful.

The Department began its journey in 1956 with a bunch of talented and devoted founders. Teachers like Prof Saswati Bag, Prof(late) Sachindranath Sarkar, Dr. Raiharan Modak, Prof.(late) Tapan Kumar Chanda, Dr. P. K. Dasgupta, Prof. Pradip Dey, Dr. (late) Umacharan Bhattacharya, and Prof. PL. Majumder. Slow but steady wins the race, the Department also slowly but steadily reached its culmination very soon. It is needless to say that whenever the Subject Chemistry is concerned as a matter of discussion, the names of the Department of Chemistry, Sree Chaitanya College, Habra has been given the priority. Really we feel proud of our predecessors.

The Department offers three-year (SIX-semester, CBCS) undergraduate courses for Chemistry in the morning, day, and Evening sections, and two-year (four-semester CBCS) postgraduate courses in Chemistry (intake capacity:40). Limited number of students provides a good opportunity to deal with faculty-student interaction and academic flexibility. The diverse qualifications of the faculty ensure expertise in all the disciplines of chemistry as well as in various interdisciplinary areas. The department provides the environment for the young learners to realize their potential and manifest themselves. The diverse qualification of the faculty ensure expertise in all traditional and interdisciplinary areas. The TEAM work is the Nuclear Force of our Department. The academic achievement and growth of the Department blend successfully due to the excellent TEAM work of the present bunch of gifted faculty with brilliant academic careers. The trend of this TEAM work and dedication of our faculty have been manifested through the introduction of the Post Graduate (PG) section in Chemistry since 2008. The Department is on a journey and aspires to build relationships and help each learner to realize their productive potential self along the way.

About the Department

Since the day of foundation of Sree Chaitanya College, Habra in the year of 1956, its Department of Mathematics is propelling with sincerity the essence of the vision and mission of the college. The tradition of shaping the logical mind of its pupil through its curriculum and various co-curricular activities is now a regular practice of the department. The Department of Mathematics has run both Honours and General Courses from its inception. Alongside its regular classroom activities, the department organises seminars for its students to enhance their interest in different branches of the discipline. Even in the present time pandemic scenario, a two-day national webinar on some foundational aspects of Mathematics has also been successfully organised by the department. Department has a computer lab for the students and a separate ICT room for holding its activities by utilising the benefit of technology. Students of the department actively perform some extracurricular activities such as publication of magazines, fresher welcome, farewell program, Teachers' Day etc. A large number of alumni of the department are now successfully serving various social institutions. To cater the needs of the students, the Department recently enacted a systematic Mentor-Mentee-Relational-Groups among its Faculty and honours students. Department has charted down some future plans of generating some direct supportive measures for enabling its students to come out of their constraints.

18.06.2021 & 25.06.2021 (5pm - 6:30pm)

This webinar comprises of two invited talks. The first one will provide an overview how the naive interpretation of "Set" can give rise to set theoretical paradoxes and a possible solution. In addition, few issues regarding cardinal numbers will also be discussed. The second invited talk will provide basic idea regarding ordered structures. In this talk, Birkhoff's representation theorem for distributive lattices and Stone's representation theorem for Boolean Algebras will be discussed.

About the Department

Physics is the study of Nature. It is a doorway of observations, inclusive of profound phenomena which relate to and encompasses every stratum of life. Physics is about the journey of building relationships of observations through models. It's the pursuit of understanding real-world matter and energy with experiments, analysis, and mathematics.

There is no single best way to learn Physics. The Department of Physics at Sree Chaitanya College, Habra offers both Honours and General courses. The curriculum design prepares students for academic, industrial, and analytical careers.

The Department of Physics inspires, empowers students with imagination which is nourished not just by Physics but also other areas of human inquiry and thought present in the curriculum.

The college offers, 3-year BSc (six-semester CBCS system) in the morning, day, and evening, along with suitable combinations in this regard. The balance between fundamental science and application related to experiments builds learning muscles along the direction of seeking. The Department has Electrical, Mechanical, Optical Laboratory.

The department organizes seminars for its students to enable their interest in diverse branches of the discipline. Department has a computer lab for the students and a separate ICT room for holding its activities by utilizing the benefit of technology. Students of the department actively perform some extracurricular activities such as publication of magazines, fresher welcome, farewell program, Teachers' Day, etc. A large number of alumni of the department are now successfully serving various social institutions.

The idea of the department is to create an environment, which will empower the students completing the course to the physicist's way of thinking. The department aspires to transform stress, anxiety, in learning to novelty in thoughts through empathy, authenticity, and ingenuity.

About the Department

The department of Economics started its journey in Sree Chaitanya College under Calcutta University since 1956, that is when the college was established. It was a general-course department with two whole time teachers. There are three shifts. In the morning shift only girls are admitted, in the day shift both boys and girls are admitted and in the evening shift only boys are admitted. In the year 2000, Honours course was started in the day shift only with three permanent faculty members and one-part time teacher. It is a science department. As yet there are three permanent teaching posts. From 2009 the college is under West Bengal State University. The teachers are always ready to help the students. The honours students were somewhat talented at that time and their perseverance should be admired. As a result, they secured good marks in B. Sc. degree and are gainfully employed. We feel proud of our students. Let Almighty be always there with them. Our students participate in several indoor and outdoor programs of the college and often they come out with flying colours. They thereby add another feather to the success of the department. May the department prosper in future.

About the Department

The Department of Geography started its journey in 1996 with a general course. However, within few years, the institute was able to launch an Honours course in 2004 to meet the growing demand of the local people. In its very inception, few guest lecturers served the department. Later, in April 2010 three assistant professors and in May 2017 one assistant professor had joined. At present, the department has also two SACT-I faculties to provide services to the students. Alumni of this department have successfully established themselves in school service, police service, business, public sector and private sector etc. After qualifying NET/SET exams, few alumni have engaged in research activities in various universities. Faculties relentlessly engage themselves in career building and personality formation of the students. The department has a GIS laboratory with 18 computers where students are trained in Microsoft Office as well as open-source software. This laboratory is also used for WBJEE mock training, project work and language training etc. In addition to these, there is a well-equipped laboratory with modern instruments to serve the students. Students actively participate in various departmental activities and programs such as class seminar, wall magazine publications, orientation programs, freshers' welcome, farewells and reunions etc.

About the Department

The Department of Bengali started its journey with the foundation of this great institution and has ever since remained one of the most eminent department, both in terms of size as well as in significance.

The B.A. General Course in Bengali was introduced in the year 1956 and the Honours Course in 1961. The inspiration that the students derive from the enthusiastic and sincere teachers of this department is evident from their wonderful performance at the University level examinations on a regular basis. Expression of creativity gets a high priority here, be that in the regular teaching procedures or in the

extra-curricular activities on the part of the students. To the great pride of the institution and the department, Post Graduate Course was introduced here in 2008 under the able guidance of the West Bengal State University. The department however enjoys an autonomy in running of the P.G. courses. A field Study

has been thoughtfully incorporated in the P.G. course with the aim of creating an opportunity of meaningful interaction with the larger society for the students. This additional curriculum has made studying PG at Bengali department, a unique and enriching experience. At present the number of permanent faculty here are 12. Resource persons from other universities are invited frequently at the department to deliver lectures on their area of specialisation, for the benefit of the students. A separate Study Room and a rich departmental library addresses the academic needs of the students. We have quite a number of accomplished teachers, researchers, journalists and people established in various government departments as well as in private offices among our alumni. Students are trained to organise departmental

journals, academic workshops and seminars through active participation and in collaboration with teachers. Cultural programs are organised on a regular basis where students are encouraged to take part through their performances in music, recitation, art, debate and extempore which contribute in enhancing the overall cultural milieu of the institution.

About the Department

The Department of English has traversed a long journey and has persistently seen a swell in the number of students, both in the Honours and General category, which is a sure sign of the improvement made by the Department. With new staffs joining in both the Government sanctioned permanent posts on substantive basis, and as SACT-I, the Department has become more organized. With the newly introduced CBCS system the Department has been able to cope very well with the changed, diverse, and mammoth syllabus in both the categories and systematise itself to meet the needs. The Department has been successfully conducting online classes in spite of the unwanted and unforeseen blow of the pandemic over a very long period of time. It has gone those extra furlongs to motivate the dear students in these trying times, order and organize things, and mobilise them to appear in both the Internal and End-Semester exams successfully.

Those days are not far when the Department would be able to interact with its students once more and hold programmes like Fresher's Welcome, Farewell, and the academic tours which creates a bond of togetherness and bonhomie with the teachers and offer the students a basket of memories to last them a lifetime. Regular in-house departmental seminars, theatrical performances, working together round the clock to put up wall magazines are the other academic and creative activities that the students and the Teachers look forward to.

About the Department

The Department of History is one of the oldest and largest departments of Sree Chaitanya College, Habra. The department offers semester-wise three-year B.A. Honours and General / Programme CBCS Courses in History. The department presently has five substantive teachers and two SACTs. In addition to traditional chalk and talk method the teachers adopt modern teaching techniques to cope up with the demand of the knowledge driven era of technology. The departmental library is well stocked with a number of reference and text books.

With a competent faculty the department is prepared to empower the youth through education. The prime goal of the department is to attain academic excellence and to instil the sense of moral responsibility and good values among the students. Students are also schooled in expressing themselves well, both verbally and in writing. We very often organize students' seminars, quiz programmes, mock tests, cultural programmes etc. Students are taken on day tours to places of historical interest. We also undertake informal psychological counselling at personal level to enable our students to endure the challenges of life. The departmental programmes not only assist the students in acquiring knowledge and skills essential to be good scholars but also help them to realise his/her fullest potential. Students are motivated to be creative through individual and group projects. Our departmental wall magazine "Ichechhe Dana" is an important medium which enable our students to express their artistic creativity and writing skills. In addition to regular courses of study our students have a long tradition of intensive involvement in extracurricular activities. Our department provides many NSS volunteers who remain in constant touch with the community. Quite a few numbers of our students are pursuing successful career as School Teachers, College Teachers and Employees at different Government as well as Private Offices. Over the last six decades, the department has been maintaining a healthy academic environment and cordial student teacher relationship.

About the Department

The Department of Philosophy is as old as the institution itself. Over the years students of this department have regularly performed well in the university as well as in the competitive examinations. Equipped with a handful of able and committed teachers, the aim of the faculty has always been an overall development of the students. A free and easy interaction between the teachers and students are ensured, to make both teaching and learning an enjoyable experience at this department. Students' seminar is an integral part of education here, that makes it convenient for our students to face future interviews and this good practise has a very positive effect on their self-confidence. Talks by renowned resource persons are organised for the benefit of our students. This department has to its credit acclaimed Seminars at the State and at the National level along with the publication of the proceedings thereof. Apart from all this, the Department of Philosophy has very willingly taken up on itself the responsibility of the 'Counselling Cell' of Sree Chaitanya College. The psychological troubles of the young adult students of our college can find an empathic understanding here.

ABOUT THE DEPARTMENT

“Learning leads to Emancipation”

The Department of Political Science is one of the oldest departments of the College. It was established in 1956 with the establishment of the college. Initially, it offered 3-Years B.A. General course to the students in Political Science and later offered 3-Years B.A. Honours course in 1962. Presently, the Department has eight teachers including four permanent and four SACT-II teachers. All faculties are well dedicated to give their best effort for the students to make them think independently, help them to develop their skills such as flexibility, tolerance, critical judgment, and the ability to understand the world from a variety of political, cultural and social perspectives along with innovative teaching-learning methods by exposing them to the new ideas, new ways of understanding, new ways of knowing in their journey of intellectual transformation. The Department strives with an aim to equip students with problem solving, leadership and teamwork skills and inculcating a sense of commitment to equality, ethical behaviour and respect for others. Apart from studies, the students of the Department have distinguished themselves in sports and co-curricular activities both at state and national levels. The Department also engages students in various other activities /programmes such as YPC, NSS, Freshers’ Welcome, Teacher’s Day, Human Rights Day, Women’s Day along with the preparation of Wall Magazine, organizing departmental seminar to enhance their creativity and skills. Students passed from the Department have achieved success in different fields such as CSC, SSC, Defence and other administrative services.

TEACHERS' COUNCIL

The Teachers' Council (TC) of Sree Chaitanya College, Habra is a statutory body that comprises all the teachers and librarians appointed in substantive posts. It is a democratic platform of the teachers where they can freely voice their opinion regarding the academics of the college. The chief concern of the TC is the academic environment and performance of the students in the University Examinations. The TC of SCC strives to groom the students for their future life in all possible ways. With this objective several subcommittees e.g., Admission, Examination, Routine and Library subcommittees and the like are formed within the TC to facilitate the day to day functioning of the college.

The Principal is the ex-officio President of the TC, who presides over all the meetings of TC. A Secretary is elected/selected by the members of the TC annually at its Annual General Meeting. The Teachers' Council Secretary (TCS) conducts the meetings of TC and acts as a liaison between the teachers and the administration. The TC of our college, however, doesn't restrict its activities to the preservation of the rights and obligations of the teachers, but is also involved in many other social and intellectual enterprises. Cultural activities often form an indispensable part of the programmes that TC organizes. Every year the Teachers' Council organizes a memorial lecture in memory of late Debasmita Bhattacharya, Assistant Professor, Department of English, since 2017. Now the area of action of this body has been extended for the benefit of the students. Recently the Teachers' Council has inaugurated a Student Welfare Fund in the interest of the students. All students of this college have access to this fund (subject to terms and conditions, and approval by the TC). By undertaking such functions as outlined above, the Teachers' Council has played and continues to play a very significant role in the administrative sphere of this institution.

The TC of SCC is proud of its annual bilingual publication, *Sampan*- where the literary aspiration of the faculty finds expression.

RASHTRIYA UCHCHATAR SHIKSHA ABHIYAN (RUSA)

Activities in 2020-21

The Rashtriya Uchchar Shiksha Abhiyan is the central government's contribution to further the promise held by the rich expanse of India's state universities & colleges. RUSA understands that sometimes the most important lessons of life are learnt outside the classroom. So whether it is upgrading libraries or computer laboratories, promoting autonomous colleges or clubbing them to consolidate their strength and forming cluster universities, the programme realizes that every institution holds the power to enrich lives through top-class education.

Sree Chaitanya College, Habra is a recipient of this prestigious grant. In spite of the pandemic situation the RUSA committee has done a commendable progress in their work. In 2020-21 the committee was able to submit utilization of more than 75 % of 1 crore rupee received as first instalment under RUSA 2.0. The committee applied and was successful in convincing the government officials to grant the second instalment. As a result, in this year our college received Rs. 50 lakhs as second instalment under RUSA 2.0.

The second floor of the administrative building covering an area of 5920 sq. ft was completed and handed over to college by pwd utilizing RUSA fund. The new floor contains a number of big rooms including Principal's new chamber, Bursar room, Teacher's room, room for staff canteen, library room and teacher's resting room.

In 2020-21 the effort of RUSA committee has led to extension of the first floor of boy's hostel. The new construction covers an area of 1890 sq. ft.

The committee has progressed a lot regarding construction of the proposed two storied academic building covering an area of 3230 sq. ft. The estimation, designing and e-tendering through PWD have been done in 2020-21. By end of session 2020-21, a total utilization of about 93 lakhs have been submitted by the committee to RUSA.

ALL INDIA SURVEY ON HIGHER EDUCATION (AISHE)

The Ministry of Human Resource Development has initiated an All India Survey on Higher Education (AISHE) to prepare a sound database and to assess the correct picture of Higher Education in the country. As a part of it, the West Bengal State University has made it mandatory for all affiliated colleges to prepare the data on the following broad items-Institution's basic data, Teacher's details, details of non-teaching staff, programme conducted under various departments, Students enrolled in these programs, Examination results of terminal year of each programme, Financial information on various heads, Availability of infrastructure, Scholarship, Loans and Accreditation.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

The establishment of an Internal Quality Assurance Cell (IQAC) by the accredited institution is a major step in pushing long-term quality standards. It is an administrative body that initiates, plans and supervises various activities that are necessary to increase the quality of education imparted in an institution or a college.

Vision: To ensure quality culture as the prime concern for the Higher Education Institutions through institutionalizing and internalizing all the initiatives taken with internal and external support.

Objectives: The primary aim of the IQAC is-

- i) To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- ii) To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Activities (2020-21) :

Short speech competition: "Influence of Lockdown on human life"

For about five months, people all over the world are restricted inside the house due to pandemic of COVID-19 virus. In this situation, Sree Chaitanya College, Habra conducted online classes, various departmental webinars, online competitions etc. during this lock down period, and an online short speech competition under the heading" INFLUENCE OF LOCK DOWN ON HUMAN LIFE" was organized by Recitation, Debate & Elocution club under IQAC. In the said competition, 32 students from our college and from other colleges took part. Each student was asked to send their 3 minutes audio speech to the proper authority by 28/06/2020. After minute hearing, the judges selected top ten (10) speeches. As per selection of judges, a small online award giving ceremony was held on 03/08/2020 at 4 P. M.

The honourable persons who made themselves available in the ceremony were:

Dr. Dibyendu Panigrahi (Coordinator of IQAC),

Dr. Kallol Bandyopadhaya (Ex convener of the club),

Dr. Banidipa Mandal Biswas (Convener of the club),

Sri Rupam Mandal (Member of the club),

Sri Samir Sardar (Member of the club) and Sri Jadav Baidya (Member of the club).

Our honourable judges were:

Sri Molla Sahabuddin (Department of Bengali),

Sri Partha Chakraborty (Department of Anthropology)

Smt. Srabani Biswas (Department of History)

The programme was anchored by Dr. Banidipa Mandal (Biswas). Sri Rupam Mandal, Sri Priyanka Sanphui and Sri Samir Sardar extended their hands for technical support. The programme was concluded after thanks given to all concerned by Sri Jadav Baidya. There is no doubt that the programme relevant with present time could reduce gap between teachers and students to great extent.

It has an aspiration to create an identity where potential function of the club to create mindful narratives within each individual stays afloat. This club is window, a lens to transform ideal day into a beautiful reality, through culture of refreshing introspective.

The club is invisible at this critical hour of Lock down. However, it's on a mission, and on a journey to realize each individual from being dependent to dependable self. It needs the push, also space in the system, by the system to have a direction of inclusiveness, and manifest thoughts and feelings towards self-awareness, balance, focus as solution towards manifestation.

NUMBER CLUB

Number Club seeks to open up the world of numbers with respect to its beauty, mystery and symmetry through interactive sessions. It also intends to enable students to face number related tests, while preparing for competitive examination more confidently.

CELLS UNDER IQAC

Counselling Cell

The institution has a counselling cell that monitors and directs counseling activities on campus. The cell conducts talks, workshops and interactive sessions for the students during the academic year

A Professional Counselor is available on campus. The Mentoring system monitors the overall performance of the students and provides academic career and personal guidance. At the beginning of the academic year, the first-year students attend an Orientation program which incorporates introducing a fresher to the academic and co-curricular activities of the college.

In case of any mental anxiety and any kind of physiological trauma may seek help from the Counselling Cell through the mail. E-mail ID of Counselling Cell- scc.counselling2020@gmail.com

Career Guidance Cell

The institution has a Career Guidance and Placement Cell which organizes programs to guide students in terms of appropriate career choices and gainful employment. The college invites reputed organizations for recruitment.

Grievance Cell

The grievance cell of Sree Chaitanya College, Habra, had a 'Grievance Box' situated in our College building for manual operation. Due to the pandemic situation, the college remained closed. Members of the Grievance cell along with IQAC Co-Ordinator tried hard to solve the grievance/problems of our students. An online grievance submission process was made available to our running students of 2020-2021 sessions. A platform (email ID: scc.grievance@gmail.com) was

created and linked with our College website, where a student expressed his/her grievance related to academic problems, to the College Authority.

Activities of the Grievance cell, 2020 – 2021

During the admission period of 2020 – 2021 session, a total of 675 grievance emails were received. Admission sub-committee members dealing with 3rd and 5th semesters could solve 600 cases out of 606 mails received, while those concerned with 2nd, 4th and 6th semesters solved 56 out of a total of 69 mails. Of these, 560 were for wrong subject combination as shown in their admission receipt, 63 showed payment to be made properly but the receipt was not generated, 9 students found difficulty in login to admission portal, 9 of them had SEC subject choice that was not shown in the drop box and 12 students failed to get admission within due date. Apart from these, one student requested for consideration of admission fee, one could not find an online payment option and another case required inclusion of subject AECC2. Thus, a total of 656 grievances were solved successfully.

Members of grievance cell investigated all the cases and after thorough discussion with Dr. Indramohan Mandal, Principal, Dr. Samarendra Nath Chatterjee, Bursar and Dr. Dibyendu Panigrahi, Co-Ordinator, IQAC, of our College, decided that out of 19 pending cases, payment receipt of 5 students will be updated shortly and 8 of them will soon receive their excess payment amount. Request for fee concession by 4 students require further discussion with the College officials and only 2 cases where payment of previous semester is pending, could not be solved.

Anti-Sexual Harassment Cell

An Anti-Sexual Harassment Cell is constituted and provides information to the students and staff from time to time. It organizes awareness workshops on this issue. Awareness about sexual harassment is also created through the value education classes, monitoring system and the counselling cell.

Women's Cell

The Womens' Cell of Sree Chaitanya College, Habra, was an initiative by the then IQAC. The idea behind the formation of this cell was to sensitize our students on the women related issues prevailing in our society. Increased awareness leads to increased sensitivity and responsible behaviour towards our immediate social surroundings. Other than the students (both male and female), who were one of the stakeholders of this cell, teachers and members of the non - teaching staff of our college participated here with enthusiasm as well. The Chairperson of the West Bengal Commission for Women was gracious to render her best wishes by inaugurating this cell along with her team.

Anti-Ragging Cell

An Anti-Ragging Cell has been established and awareness of this body is made known to the students, parents and guardians at the time of admission and the orientation program. However, no cases of ragging were found or reported till date.

Research and Development Cell

The institution has a research and development cell (R&D Cell) which aims to nurture research culture in the College by promoting research in areas of Science and Humanities. In order to strengthen and expand the research activities in the institute, the R&D cell is functioning in this Institution from last several years. It encourages the faculty to undertake research projects in newly emerging frontier areas by sanctioning research grants from the college. The potential growth in the research activities includes enhancement in the research publications and the sanctioned research grants motivate the faculty members of the college to present/publish their research papers in

reputed National and International Conferences and Journals. The committee members of the cell record, regulate and monitor the research projects which are sanctioned every year.

The R and D cell of the college sanctioned project proposals for funding on the basis of recommendations from the reviewer. A total of rupees two lakhs forty five thousand only was allotted to five projects submitted by the faculty members in the session 2020-21. The cell also established policies and guidelines as deemed fit for pursuing research. Arrangements were also made to update the archive of the cell.

The main objective of the programme was to inspire and motivate all the students (Science and Humanities) about the academic aspects and the rules and regulations of our esteemed college and impart a wholesome knowledge about the CBCS course. Dr. Priyanka Sanphui, Assistant Professor, Dept. Of Zoology and Joint Convener, CBCS Committee served as the resource person. He, in his lecture session thoroughly discussed all the particulars about the CBCS course and cleared doubts and queries of the students during the interactive session. All the students actively participated during interactive session wholeheartedly which made the programme all success.

Orientation Programme for students

- iv) A **Students' welfare fund** for the health of the students and for providing treatment is also being maintained.
- v) Audio, video lectures and study materials, prepared by teachers have been uploaded in '**SCC-ONLINE RESOURCE HUB**' for the benefit of students.
- vi) In 2020-21 academic year, due to pandemic situation, **Students' concession** have given through online processes and total 314 students enjoyed this facility.

EXTRA CURRICULAR ACTIVITIES

Institutional Promotion for participation of students in Extra Curricular activities

The policy of the institution is the holistic development of each and every student. For this purpose, the college organizes several extra co-curricular activities and motivates them to participate in the same. Equal and ample opportunity is provided to the students for participating in extracurricular events through a platform like auditions and selection.

1. NATIONAL CADET CORPS (NCC), UNIT-6

The National Cadet Corps (NCC) as the Indian military cadet corps was formed in 1948 and its Headquarter is at New Delhi, India. It is primarily open to school and college students on a voluntary basis. It is a Tri-Services Organization, comprising the Army, Navy and Air Force. It is a voluntary organization that recruits cadets from schools, colleges and universities all over India and the cadets are given basic military training in arms and parades. The cadets are offered with A, B and C certificates after completion of their course accordingly and have a bright prospectus to enter into defence services. They are generally given special preference over normal candidates during selections or recruitment of defence services. The main motto of NCC is “**Unity and Discipline**” and living up to this motto, it strives to be one of the greatest cohesive forces of the nation, bringing together the youth hailing from different parts of the country, moulding them into united, secular and disciplined citizens of the nation. Its aim stands at developing discipline, character, and brotherhood, the spirit of adventure and ideals of selfless service amongst young citizens and enlighten leadership qualities among them who will serve the Nation.

However, the NCC unit of our College began its journey from the very inception of the institution in 1956. Presently, the Unit has two wings: **Senior Wing for Boys and Junior Wing for Girls**. Regular classes and special training is provided for the cadets. The NCC unit also arranges special camps for the cadets in different parts of West Bengal where the Army officers guide the cadets. The Unit sends best cadets for the RDC camp at Delhi.

Students can join this unit of our College to build a bright career of their own especially in the fields of police and defence. Dr. Bedprakash Ray, Department of Anthropology, is the ANO of the NCC unit of our College and students may contact him in case they are interested in this field.

Events and Activities of NCC, 2020-21:

- Celebrated College Foundation Day on 02.08.2020.
- Celebrated Independence Day on 15.08.2020.
- Celebrated Netaji Birthday on 23.01.2021.
- Celebrated Republic day on 26.01.2021.
- Conducted online classes for the cadets.

2. NATIONAL SERVICE SCHEME (NSS) UNIT

The National Service Scheme, popularly known as NSS, was launched in 1969 to celebrate the birth centenary of the Father of the Nation. The overall aim of the National Service Scheme as envisaged earlier is to give an extensive dimension to the higher education system and orient the student youth to community service while they are studying in educational institution. The reason for the formulation of this objective is the general realization that the college and +2 level students have a tendency to get alienated from the village/slum masses which constitute the majority of the population of the country. Each student volunteer devotes 120 hours in one academic year.

The Motto of National Service Scheme is "NOT ME BUT YOU", reflects the essence of democratic living and upholds the need for self-less service. NSS helps the students develop appreciation to other person's point of view and also show consideration to other living beings. The philosophy of the NSS underlines on the belief that the welfare of an individual is ultimately dependent on the welfare of the society on the whole and therefore, the NSS volunteers shall strive for the well-being of the society.

An NSS unit of our college started functioning since May, 2016. Our total volunteers' strength is 100. The unit provides scope for the student-volunteers to participate Regular Activity & Special Camping Programme in such social works as Health Issue, environmental Issue, Campus cleaning, literacy centre for the illiterate and coaching classes for poor school students of the locality, relief work, gardening etc. This unit has planned several activities during the academic year'2020-2021'.

UG 1st year, 2nd year (Honours & General) and PG 1st year students of all arts and science departments of Sree Chaitanya College, Habra are cordially invited to join NSS (National Service Scheme) activities of this college. Interested students are requested to contact the NSS Programme Officer (SCC, Habra) Dr. Biswanath Sarkar, Department of Political Science. There is no entry-fee.

Detailed information on NSS can be obtained from: www.nss.nic.in and our College Website NSS link: <https://sreechaitanyacollege.in/NSS>.

Events and Activities of NSS, 2020-21:

SPORTS AND GAMES

For a long time sports has been viewed as a way to stay healthy and in shape, but its importance goes further than that. As a matter of fact, sports teach life lessons like discipline, responsibility, self-confidence and teamwork. Sree Chaitanya College which was established in the year 1956 has a rich legacy of sports activities. The students of the college have been actively participating in various sports activities like Football, Volleyball, Badminton, Kabaddi, Cricket and Athletics. The College can boast of the fact that the students have successfully participated in the University Football team. The college provides all the facilities for different types of indoor games. Moreover, it has a flourishing Yoga Centre. Annual Sports Day is observed with much enthusiasm every year. To make games and sports an integral part of student's life, the College has introduced the Department of Physical Education in the year 2016. Due to ongoing Covid-19 pandemic situation, no sports activity was taken/performed in 2020-21 academic sessions.

Applications under the RTI Act should be addressed to the Public Information Officer. In case the applicant is not satisfied with the answer or doesn't get the reply within stipulated time, he/she can file an appeal with the Appellate Authority.

Support for preparation for Competitive Exams

The college encourages, guides and trains students who appear for various National and State Examinations. The faculty coach students who wish to appear for competitive examinations. The library subscribes to a wide range of books and magazines which serve as a ready reference meant especially for competitive examinations.

Welfare Schemes

The institution is committed to the overall welfare and well being of its students. Some of the schemes are listed below:

- Professional Counselling on Campus
- Remedial Classes
- A book bank scheme
- Flexibility in payment of the fees as per the difficulties of the students.

ALUMNI ASSOCIATION

The College has an Alumni Association with about 250 members. The alumni meet at least once a year. The alumni support the institution and contribute to its institutional, academic and infrastructural development. The IQAC has an alumnus as a committee member.

Alumni who are eminent personalities and who have distinguished themselves in their chosen fields are invited to deliver guest lectures and have interactive sessions with the students. Many alumni are employed as faculty and support staff in the college. They play an important role in academic and institutional development.

The University Grants Commission (UGC) has made it mandatory for all universities across the country to adopt the Choice Based Credit System (CBCS), in order to bring in uniformity in the structure and curriculum of the under graduate education.

The main purpose of the CBCS is to make the undergraduate curriculum of India, more flexible and student centric. The West Bengal State University has decided to implement the CBCS from the academic session 2018-19. Since our institution is affiliated to WBSU, all admission and curriculum for the session 2020-21 will be in accordance with the rules and regulations of the CBCS as formulated by the WBSU.

The CBCS courses will comprise of the following:

1. CORE COURSE:

A course, which should compulsorily be studied by a candidate as a core requirement of the chosen discipline(s) is termed as a Core course.

2. ELECTIVE COURSE:

Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline /subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.

2.1 Discipline Specific Elective (DSE) Course: Elective courses may be offered by the main Discipline /subject of study is referred to as Discipline Specific Elective. The University may also offer discipline related Elective courses of interdisciplinary nature (to be offered by main discipline / subject of study).

2.2 Dissertation/Project: An elective course designed to acquire special/ advanced knowledge, such as supplement study/support study to a project work, and a candidate studies such a course on his own with an advisory support by a teacher/faculty member is called dissertation /project.

2.3 Generic Elective (GE) Course: An elective course chosen generally from an unrelated discipline / subject, with an intention to seek exposure is called a Generic Elective. P.S.: A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as Generic Elective.

3. ABILITY ENHANCEMENT COURSES (AEC):

The Ability Enhancement (AE) Courses will be of two kinds:

Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement Courses (SEC). "AECC" courses are the courses based upon the content that leads to knowledge enhancement. These are mandatory for all disciplines. SEC courses are value- based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc.

3.1 Ability Enhancement Compulsory Courses (AECC): i) Environmental Science,
ii) English Communication/MIL Communication (MIL stand for Modern Indian Language).

3.2 Skill Enhancement Courses (SEC): These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge.

The University also has plans for Introducing Research Component in Under-Graduate Courses at a later stage of the implementation process.

(Project work/Dissertation is considered as a special course involving application of knowledge in solving / analysing /exploring a real life situation / difficult problem. A Project/Dissertation work would be of 6 credits. A Project/Dissertation work may be given in lieu of a discipline specific elective course.)

MINIMUM CRITERIA FOR DEGREE

PASS PERCENTAGE AND PROMOTION RULES

for all the Under-Graduate Courses under Choice Based Credit System

The following provisions shall be applicable to students admitted to the Three Year Undergraduate program under Choice Based Credit System (CBCS):

- A student who appears in a semester examinations or who was eligible to appear in the semester examinations but remains absent in any or all the courses of the said semester, shall move on to the next semester irrespective of his/her result in the said examinations. This will only be applicable up to the 4th semester examination.
- A student who has obtained at least 40% in all the courses in theory examination (including internal assessment/ project work) and practical examination separately conducted in the different semester examinations shall be promoted to the next semester without any backlog.
- A student who has not obtained at least 40% in all the courses in theory examination (internal assessment/ project work) and practical examinations separately, conducted in the different semester examinations shall be promoted to the next semester with previous un cleared backlog courses. However, the candidate must clear all his backlog courses before he is promoted to the final 6th semester. In other word, a student cannot be promoted to the 6th semester if he has not cleared all his previous courses.
- Students who do not fulfil the promotion criteria mentioned above shall be declared fail. However, they shall have the option to retain the marks in the courses in which they have passed.
- If a student has secured the minimum number of credit necessary for the relevant degree taking together all the courses in theory examination (including internal assessment/ project, wherever applicable) and practical exam separately till the end of the third year, i.e., up to the end of the VI th semester, then she/he shall be awarded the degree in which the student has been admitted.
- A student who wants to re-appear for clearing backlog in a course will have to do so only when the corresponding course is offered/ evaluated in the next semester under regular examination procedure. A student failing in any Semester examination will have to appear for clearing the backlog when the same semester examination is held next year and so on. However, the internal assessment/internal marks will remain unaltered.

Re-appearance for improvement

- A student may re-appear in any theory course prescribed for a semester, on foregoing in writing her/his previous performance in the course/s concerned. This can be done in the immediate subsequent semester examination only (for example, a student reappearing in course prescribed for semester I examination may do so along with subsequent semester III examination and not along with courses for semester V).
- This option of reappearance for improvement will be available only once per course against prescribed fees. All requests for reappearance for improvement must be made within 15 days of publication of result after which no such request will be entertained.
- A candidate who has cleared the 6th semester examination but wants to apply for reappearance for improvement in the 6th semester course in the immediate subsequent semester when the course is being offered under regular study must forgo in writing his/her previous performance in the course concerned within the prescribed time period of 15 days. However, candidates under this category will not be allowed to join in any postgraduate course under this university.
- In the case of re-appearance in course, the candidate will have to forgo his earlier marks obtained and the result will be prepared on the basis of candidate's latest performance in the examinations.
- In the case of a candidate, who opts to re-appear in any course/s under the aforesaid provisions, on surrendering her/his earlier performance but fails to reappear in the course/s concerned, the marks

previously secured by the candidate in the course/s in which she/he has failed to re-appear shall be taken into account while determining her/his result of the examination held currently.

- Re-appearance in practical/internal assessment shall not be allowed. An exception to this will be only applicable when the candidate decides to re-join the entire semester by taking fresh admission to the relevant semester after paying necessary admission fees as prescribed. There shall be no supplementary examinations for any courses.

Letter grades and grade points

A student who becomes eligible for the degree will be categorized on the basis of the combined result of semester I to semester VI examinations under CBCS on a 10 point grading system with the following Letter Grades as given below:

Letter Grade	Grade Point
O (Outstanding)	10
A+ (Excellent)	9
A (Very Good)	8
B+ (Good)	7
B (Above Average)	6
C (Average)	5
P (Pass)	4
F (Fail)	0
Ab (Absent)	0

Issue of Transcripts

Based on the grades earned, a Grade Certificate shall be issued to all the registered students by the University after every semester and a consolidated transcript indicating the performance in all semesters. The Grade Certificate will display the course details (code, title of the course, number of credits, grade secured) along with SGPA of each semester and CGPA earned based on overall six semesters.

ADMISSION REGULATIONS (as per WBSU)
For Six Semester B. A./B. Sc./B. Com. (Honours/General)
Under Choice Based Credit System (CBCS)
2021-2022

1. Admission Qualifications

A candidate who has passed the Higher Secondary (10+2) or its equivalent examination is eligible to seek admission to the First Semester of the Six Semester B.A./B.Sc./B.Com. (Hons. and Gen.) or B. A. Music. (Hons. and Gen.) Course of studies provided he/she has also passed in English having full marks not being less than 100.

In any case, where there is an ambiguity regarding the admissibility of a particular examination at the Higher Secondary (10+2) level of study, the matter shall be referred to the Equivalence Committee of the University who shall determine the eligibility of the said examination.

However, no candidate, in general, shall be allowed for admission after a lapse of more than 3 years from the year of passing the previous qualifying examination. Those desirous to do so will seek permission from the University Authority.

The year of admission shall not be taken into account while calculating 3 years from the year of passing the previous qualifying examination.

However, in exceptional cases a candidate may be allowed for admission after 3 years of the previous qualifying examination but within 3 years after discontinuation of a recognized regular Course of Study. Those desirous to do so will seek permission from the University Authority.

For the purpose of determining eligibility for admission to the Honours Course, aggregate marks shall be calculated by adding the marks of top four subjects in order of marks secured by a candidate. However, marks in compulsory Environmental Education/Studies shall not be taken into account for calculation of aggregate marks. If the subject "Environmental Science" is studied as an elective subject of 100 marks, it may be taken into account for the purpose of determining the aggregate marks.

2. Eligibility Criteria

2(a) A candidate taking up Honours Course in a subject must have obtained:

i) A minimum of 50% marks in the aggregate and 45% marks in the subject or related subject at the previous qualifying examination. In case of B. Mus. (Hons.) 45% marks in the aggregate and 45% marks in the subject Music in the pre-qualifying examination.

OR

ii) 55% marks in the subject or related subject at the previous qualifying examination.

OR

iii) 50% marks in the aggregate when the candidate has not studied the subject in his/her previous qualifying examination provided all the other clauses are satisfied.

However, if in any Honours subject, the number of applications are so low that even the permitted intake of the college cannot be filled up, then the Principal may use his discretionary power to reduce the minimum requirement for admission in that subject. A written note in that respect should reach the Registrar for consideration of that decision for a final approval by the University and the decision will be communicated to the Dept. of Higher Education, Govt. of West Bengal for information.

2 (b) However, candidates belonging to the Scheduled Caste or Scheduled Tribe Community taking up Honours Course of study must have obtained a minimum of 40% marks in the aggregate and 40% marks in the subject or related subjects at the previous qualifying examination, as the case maybe.

3. Candidates from other Boards

3.(a) Students, who have passed the Higher Secondary (10+2) examination or its equivalent from the All India Boards/Councils or State Boards/Councils including vocational studies, are eligible for study at the UG level. Those who have passed from open schools are eligible only for General Courses.

3.(b) Students who have passed the Higher Secondary (10+2) examination or its equivalent from the All India Boards/Councils (i.e. CBSE, ISC and National Institute of Open Schooling) are not required to submit the Migration Certificate for getting Registration under this University.

3.(c) Any dispute regarding eligibility criteria would be resolved by the Equivalence Committee set up by the University or by the Executive Council in it's absence.
